Crossing the Discipleship Chasm Matt Lake,2024-09-10 When the road ahead seems too challenging for a conventional approach staying put is not an option This may feel like the reality of today s ministry landscape Helping others follow Jesus is no longer straightforward the path often seems blocked by cultural obstacles But we cannot stay where we are What s needed is a higher way a path that rises above the challenges strong enough to support your journey yet flexible enough to adapt to the changing terrain In Crossing the Discipleship Chasm pastor and consultant Matt Lake draws from deep experience in ministry to introduce a transformative approach that revives the original mission of the church adaptive discipleship Grounded in thorough research and tested relationships his method offers a way forward Too often local churches in their anxiety jump to quick programmatic solutions to address the lack of discipleship happening in their settings However jumping to a solution that ignores the context and deeper issues of the problem only leads to surface level technical responses It will never work in the long run His solution How to apply an adaptive approach to the issue of discipleship through a series of life giving tensions If you re ready to bridge the gaps in your ministry you need both a reliable path and a wise guide With Lake s direction discover the confidence and courage to lead others on the journey toward life

The Christian Advocate ,1927 **The Spiritual Mentor** Jim Grassi,2013-11-26 There is nothing more fundamental to the Christian faith and to building godly men than discipleship In today s vernacular discipleship would best be described as Spiritual Mentoring Why are discipleship and mentoring so important How does discipleship connect to the struggles men face today Discipleship is a relational process

that requires people to become actively involved in their faith Devoted and active men can change the direction of our culture Most importantly God has commanded men to be the leaders in the home church and community Authentic discipleship is about developing a caring concern and a genuine love for others through modeling Christ like attitudes and behavior in the context of relational environments A fresh approach is needed to define implement and equip men with a passion to make disciples It starts with relationship Because it all starts with the individual we must see one on one discipleship as the primary objective to begin the revolution The Spiritual Mentor will explain how men can rescue their faith and how spiritual mentors must play a critical role in bringing the church back to its original purpose Features include Metaphors anecdotes and practical applications Practical tools for becoming a spiritual mentor Discussion questions Dr Jim Grassi has captured the essence of what is happening today with men in the church and defined logical and practical steps to get back on course of men gaining a closer relationship with God in the mentoring and discipleship process Dr Grassi illustrates the how to thru practical examples of situations we all know and can relate Dr Grassi sets the tone for a modern day Haggai in being strong and staying courageous putting in the effort by serving and working at the process and lastly knowing that God never leaves your side and is always with you This book is a must read and must have for reference of every men s ministry leader Darrel Billups NCMM Executive Director Our men s small group just finished reading and discussing The Spiritual Mentor We found the book to be challenging informative and very practical The stories and illustrations are captivating giving insight into principles and techniques of discipleship As fathers and grandfathers we want to first be a positive influence on our families and then on others with whom we come in contact This book has raised the level of our awareness of the responsibility and opportunity to serve God in fulfilling the most important directive given us by our Lord to make disciples Thank you for sharing your insight and experiences with us Norman Thomas Administrative Pastor Valley Assembly Disciples Making Disciples Gael Gensler, osf, Timothy A. The Presbyterian ,1905 *Deacon Training* Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient

leadership under the sight of the pastor Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons **The Sabbath Recorder** ,1920 *Vanderbilt Alumnus* ,1925 The Watchman-examiner ,1929 **The Layperson's Library** Robert A.
