Books and Beyond Kenneth Womack,2008-10-30 There s a strong interest in reading for pleasure or self improvement in

America as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey's. Although recent government reports show a decline in recreational reading, the same reports show a strong correlation between interest in reading and academic achievement. This set provides a snapshot of the current state of popular American literature including various types and genres. The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk, fantasy, literature, flash fiction, GLBTQ literature, graphic novels, manga, and anime and zines. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected general bibliography. Reading in America for pleasure and knowledge continues to be popular even while other media compete for attention. While students continue to read many of the standard classics, new genres have emerged. These have captured the attention of general readers and are also playing a critical role in the language arts classroom. This book maps the state of popular literature and reading in America today, including the growth of new genres such as cyberpunk, zines, flash fiction, GLBTQ literature, and other topics. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's critical reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected general bibliography. Students will find this book a valuable guide to what they're reading today and will appreciate its illumination of popular culture and contemporary social issues.

Plan of Attack Dale Brown, 2009-03-17 The destruction of a Russian air base by robotic U.S. warplanes has reawakened the bear, and America must pay a terrible price. In retaliation, Russia's leader launches the most devastating military sneak attack since Pearl Harbor, decimating America's strategic air forces. Now an embattled U.S. president must choose between two horrific scenarios: a cease-fire on the enemy's terms or respond with every weapon in the nation's arsenal, possibly triggering global thermonuclear war. Disgraced and demoted to a desk job, aerial warfare expert Brigadier General Patrick McLanahan saw the nightmare coming, and only he can stop the relentless Russian war machine. But the fight for the future must take place in the blazing skies, a battlefield off limits to the discredited former commander of Air Battle Force, unless McLanahan takes matters into his own hands.

Shadow Command Dale Brown, 2009-03-17 America's most advanced military unit rebels against the very government it's trying to protect in this pulse-pounding military thriller chock full of suspense, adventure, and high-tech weaponry. Following their success in crushing an Iranian threat, General Patrick McLanahan's new Aerospace Battle Force has grown into a full-fledged task force based on the Armstrong Space Station. But the program has its critics, including Russia, the United Nations, and the American press. Newly elected President Joseph Gardner directs congress to cut off funding for this provocative force and dismisses McLanahan. What no one knows is that the Russians have

blackmailed Gardner the first step in a nefarious plan to control the world's oil supplies With the ABF decommissioned Russia deploys troops and warships into Turkmenistan Iran and the Persian Gulf But McLanahan and his forces refuse to allow the Russian aggression to stand Defying the civilian chain of command he orders the ABF to strike their forces The president orders McLanahan's immediate arrest But before authorities can throw him in jail they have to find him Located at one of the most secure bases with an arsenal of the world's most sophisticated air weapons he has control of the Aerospace Battle Force and the Armstrong Space Station Army Marine Corps and FBI units converge on the base but they are easily held off for now In a race against time McLanahan must outmaneuver his own countrymen and defeat the Russians and expose the truth

Battle Born Dale Brown, 2009-11-04 Author of an extraordinary string of New York Times bestselling novels Dale Brown is the undisputed master of the aerial techno thriller Filled with explosive adventure unforgettable characters and authentic technology set against political scenarios so real they often anticipate world events each of Dale Brown's novels is a major event Now he returns to the airspace only he can truly call his own in a blockbuster novel about a world on the brink of World War III and a new generation of brash young heroes Patrick McLanahan is back The veteran navigator bombardier and brigadier general in the U S Air Force has been sent to a B 1B Lancer unit in Nevada to develop and train a tactical strike unit designed to seek out and destroy enemy missiles He has his pick of the most aggressive Type A personalities in the flying game though it may take years to pull this bunch of mavericks together to fight as a team Then time runs out The fragile peace in Asia is shattered when what was supposed to be a joint U S Japan South Korea mock bombing raid turns lethal Instead of hewing to the script South Korean fighter bombers streak north to destroy several North Korean command and control special forces and secret police centers in support of a massive people's revolt against the Communist regime To the world's surprise the raids are a complete success The North Korean military surrenders The borders are thrown wide open and the United Republic of Korea is born But this United Korea is also the world's newest nuclear power It refuses to destroy thousands of captured nuclear chemical and biological weapons which it sees as potent protection against the massive threat of China to its north Vowing never again to be anyone's puppet it is ready to defy the United States and even attack China in order to preserve its sovereignty Thus begins a conflict that threatens to embroil all of Asia Enter McLanahan's raw audacious team Sent into the fray both to protect United Korea and to stop it from touching off World War III Patrick's small but potent hunter killer bomber force has the world's newest most powerful nonnuclear weapon at its disposal if its aces ever stop fighting each other long enough to start fighting the enemy Relentlessly paced filled with the you are there feel of supersonic flight *Battle Born* delivers the technology action and drama that Brown fans savor It is this marvelous storyteller's most exciting and satisfying novel yet
