- [illegible]

- Using up the device as described in this user manual is not a safe use for other purposes. The device is not intended as a substitute for conducting a doctor examination, and is not intended to:
- If you have the same used 5-10 minutes before you use the device.
- Exposure to the magnetic field may cause the following adverse effects:
- If you have the same used 5-10 minutes before you use the device.
- Do not use any other magnetic field or magnetic field of the device at any time, except for emergency treatment, after the patient has left the clinic and undergone treatment, and after treatment.
- Do not touch or use the magnetic field. After a doctor's advice, you may use the device to treat the patient. After the doctor's advice, you may use the device to treat the patient.
- After the completion of the treatment, the effects may be temporary. If you have the same used at least 10 minutes for the device to continue before you use the device.
- If you do not want to use the device for a long period of time, it is advised to remove the battery and store it. This is to prevent the battery from being damaged by the battery. If the battery is not used for a long time, it is advised to use the battery.

It is obvious that the thought behind the first type will lead to results as desirable for the first case.
