

The background of the cover is an abstract composition. It features a large, textured area of warm colors (red, orange, yellow) in the upper half, which transitions into a darker, more complex pattern of blue, brown, and orange in the lower half. A prominent, dark blue, textured shape, resembling a stylized figure or a large letter, is positioned in the center, overlapping the horizontal band containing the title.

Survey of English Literature Louis Townsend, 2021-01-19 This historical review of English literature offers three advantages Organizes literature into four historical periods Medieval 450 1300 Renaissance 1300 1660 Neoclassical 1660 1785 and Enlightenment 1785 1901 Contextualizes literature from multiple frames of reference including with regard to each age s political intellectual educational legal and medical stages of development Summarizes and analyzes literature in relation to a variety of different genres modes styles themes and literary devices Louis Townsend B A Hons 2010 J D 2013 Admitted to Ontario Bar 2014 Louis Townsend has an honor s degree with a double major in English Language and Literature and Philosophy This is his second book and follows The Art of Fiction An Introduction to 20 Classic Novels 2019 While that book examines Modern Literature this one is meant to acquaint the reader with Medieval to Victorian Literature

The Great War and the Death of God Charles A. O'Connor, 2014-04-07 A compelling analysis of how World War I spurred the rise of atheism and the subsequent effect on Western theology philosophy literature and art The catastrophic Great War left humanity in a world no longer trustworthy and reassuring but seemingly meaningless and indifferent Instead of redressing humanity s cosmic alienation postwar Western culture abandoned its concern for cosmic meaning lost its confidence in human reason and enabled the scientific worldview of neo Darwinian materialism to emerge and eventually dominate the Western mind According to the proponents of that worldview science is the only source of genuine truth nature is the product

of a blind evolutionary process and reality at bottom is just physics and chemistry Thus God is dead and continued belief in a transcendently purposeful universe is intellectually indefensible and either disingenuous or delusional By turning away from the eternal questions about the nature of reality Western culture effectively ceded unwarranted credibility and prominence to neo Darwinian materialism including its recently strident New Atheism O Connor revisits the 20th century s journey from Nietzsche s declaration of the death of God to the rise of materialism as the dominant worldview of western intelligentsia We live in a world that has largely expelled both mind and meaning from the citadels of serious intellectual pursuit and O Connor s book is a fascinating and scholarly expedition into the how and why of that troubling development Carter Phipps author of *Evolutionaries* I found this topic to be top rate The book is well researched and conceived nicely narrated and analyzed and an original body of inquiry into a challenging fascinating intellectual tradition Ronald M Johnson Professor Emeritus of American History Georgetown University

Understanding Community Today Edmund Aku PhD.,2021-01-10 Today that it has become customary to refer simultaneously to both the global and ethnic entities as a community it has become necessary to reexamine the meaning of this belabored concept That is exactly the burden of this book It intends to find a meaning for a community that bridges the parallel trends of globalization and ethnic awareness to thereby enrich all parties I believe I found a reliable metaphor for community in another concept the person The search for this new understanding of community entails considering it vis vis society Both terms are usually used interchangeably but as will soon be clear to us and as shown by research studies they are not exactly identical Effort is made in this work to avoid the limitations of the traditional application of the term community Its features are reappreciated with this in view taking into account also the multiethnic interest of this study I incorporate the concept of community of communities to depict both the diversity among component communities and the unity that binds and characterizes them as a political entity
