Phoenix Rising Bethany Shaw,2016 **Phoenix Rising** Ali Ings,2021 PHOENIX RISING, PIONEERING CHINESE WOMEN OF MALAYSIA Ho Tak Ming,2015-01-01 THROUGH the centuries Chinese women have had to struggle under a load of injustices denial of education ineligibility to sit the civil service examinations and hold official posts female infanticide selling of daughters concubinage foot binding just to name a few They had largely remained silent because they did not have a voice As China descended to abject poverty in the nineteenth century the lot of Chinese women became even worse When Chinese women came to Malaysia Malaya then largely from the nineteenth century onwards the circumstances became different Under British law they were the equal of men but social conditions took some time to evolve For instance daughters were left out of inheritance until quite recently sons received preferential treatment in education and polygamy was declared illegal only in the 1930s But Chinese women became successful entrepreneurs through their own ability and through education many of them became distinguished professionals Phoenix Rising Pioneering Chinese Women of Malaysia is the story of Chinese women who have immigrated to this country and forged independent lives different from their lives in China They have shown courage resilience and determination in improving their lives Like the phoenix the mythological bird that symbolises the Chinese woman they are set to soar to greater heights given equal opportunities and just social conditions

Phoenix Rising #1: Elissa's Quest Erica Verrillo,2009-03-12 THIRTEEN YEAR OLD ELISSA LEADS a solitary life She knows nothing of her parents only that her mother is dead Her caretaker Nana keeps her father s identity a secret from her Meanwhile Elissa carries her own secret the people of the valley must not know that she has the gift of speaking to animals For now she is just a healer s apprentice in peaceful High Crossing but Elissa dreams of a more exciting life and of one day finding her father When an unexpected royal guest arrives at the Manor Elissa s life changes forever She leaves home with him only to discover that she s become a pawn in a battle for his kingdom Accompanied by her dear donkey Gertrude she is delivered to the evil Khan Elissa s quest for freedom and the truth about her past leads to questions about the future Is she the key to a prophecy the prophecy of the Phoenix that everyone seems to know about except her In Book One of the Phoenix Rising trilogy new author Erica Verrillo has crafted a classic and often humorous fantasy adventure with a strong unwitting heroine *Voices in the History of Madness* Robert Ellis,Sarah Kendal,Steven J. Taylor,2021-05-12 This book presents new perspectives on the multiplicity of voices in the histories of mental ill health In the thirty years since Roy Porter called on historians to lower their gaze so that they might better understand patient doctor roles in the past historians have sought to place the voices of previously silent marginalised and disenfranchised individuals at the heart of their analyses Today the development of service user groups and patient consultations have become an important feature of the debates and planning related to current approaches to prevention care and treatment This edited collection of interdisciplinary chapters offers new and innovative perspectives on mental health and illness in the past and covers a breadth of opinions views and

interpretations from patients practitioners policy makers family members and wider communities Its chronology runs from the early modern period to the twenty first century and includes international and transnational analyses from Europe North America Asia and Africa drawing on a range of sources and methodologies including oral histories material culture and the built environment Chapter 4 is available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com)

Trial by Fire Molly Lyons,2019-01-13 Where will you be when the world comes to an end Most people don't even think about it or they laugh it off Some people will laugh and say they will be dead by then but what if you're not What then The reality of that question came crashing in like a wave sooner than expected one cold mid winter night Some of us were prepared but many were caught completely unaware The world Had gone To shit In the blink of an eye the world as we knew it was totally rearranged into a desolate landscape It was inevitable really So much division and fighting in the world could only lead to our own destruction Countries tearing themselves apart from within governments fighting for dominance and not taking care of their own people and world leaders unable to quell the growing tsunami of discord Doomsayers had been prepping for this eventuality for decades but no amount of training prepping or stockpiling can ever really prepare you for the end of the world as you know it No matter who you were before how much money you had whether you prepped or not we are all equal now Disaster has a way of doing that leveling the playing field Now here we are at the end and we are all left wondering the same thing How the hell did we get here and what the hell do we do now World leaders have decided it is time to narrow down the population of the Earth In the United States the government leaders have drawn a line down the center of the map and divided the country in half Those who live at or below the poverty line are ill elderly or otherwise dependent on the government are being forced to relocate west of the Axis line Those who live above the poverty line are healthy and young are being relocated to the east of the Axis line What the world leaders have planned next is nothing short of Nazi regime genocide on a global scale John and Phoenix MacKenzie decide it is time to move their family from rural Nebraska to the compound they have been building for decades in Arizona Once there can they find a way to save humanity from the atrocities that await them
