Create Your Own Photo Book Petra Vogt, 2012-05-25 These days photographs live on hard drives and DVDs in the company of several thousand other images coming to light on a computer screen only for a short moment if ever. In that respect our computer is a one image at a time exhibition of our photographic work. But as photographers we like to print our best images, frame and show them at home or at an exhibition or present a collection of prints in a portfolio. This book will guide you through the process of creating a printed and bound portfolio of your photographs or even a bookstore quality coffee table book. Learn about every step of the process from selecting a book publishing service all the way through designing and proofing your photo book. You'll get practical advice on how to work with software provided by services such as Blurb or Viovia and will learn about relevant concepts of book design, color management and digital printing. *Create your Own Photo Book* is the perfect guide for the aspiring amateur photographer as well as the seasoned pro. ***The Everything Digital Photography Book*** Ric deGaris Doble, 2008-05-01 With a snap of the shutter and a couple clicks of the mouse you can take stunning photos and share them with the world. Digital photography is one of the easiest art forms to master if you only know how. *The Everything Digital Photography Book 2nd Edition* has everything you need to take full advantage of this evolving art form. Learn how to Choose the perfect camera Use light and flashes for optimum effect Download and transfer images Compress images and post photos online Create personalized gifts like calendars Whether you're a novice photographer or a budding professional this indispensable guide shows you how to capture the perfect shot every time. Rick deGaris Doble is an award winning photographer with nearly 40 years of photography experience. His site www.RickDoble.net receives 150 000 unique hits per year and his popular 600 photo painting with light section was ranked 2 in Google searches. Doble has been working with computer related digital imagery for the past 22 years and for the past 14 he has taught photography courses at institutions like Duke University. He lives in Smyrna North Carolina. ***Wedding Cakes Aren't Just Desserts*** Sallia Bandy, 2011-07-28 This book is not just for the novice wedding cake designer but also the experienced designer as well. The novice can gain confidence in working with a bride and the experienced designer can see their business grow by learning how to hone their marketing skills. It covers the wedding cake creation process from beginning to end from advertising and making the first contact all the way to delivering the cake. ***My Digital Photography for Seniors*** Jason R.
