Another Fuggin' War Story Herald E. Paetow, 2021-10-25 This story is written by a lifelong pothead Me Most of it is probably true if not a little exaggerated So if there's any question on the veracity of my tale I'll refer to you elsewhere because only those who were there know the truth What I can tell you is how overwhelming it is to have someone's life in my hands while secretly wondering what the hell to do next But here I am everyone looking for me to save them No matter I'll keep my guys alive if it's the last thing I do Then when it's over I'll undoubtedly find some trouble to get into because life's too short not to have a little fun The waiting joint is my reward promising great ideas to keep me busy If only they didn't backfire so spectacularly like the time I took on the rat infestation with C4 and an ammo can when I caused myself to be whipped by a 100 foot tree or the time I blew up half of the encampment Now all I have to do is stay out of my C O's line of sight which is not as easy a task as you might think This is not a traditional war story but instead a journey of a young man coming of age in a war torn country From the moments of crisis where he shows his true grit to save a life to the trouble he gets into daily you won't be bored And it's all true P B Lee Spec 4
