51 Laws of Good Governance Dr Rakesh Varma,2023-08-31 Well well well look who s here It s the three musketeers of democracy Good Governance Citizen and Stakeholders The trio that makes sure things run smoothly in our democratic society And who s the key player Good governance of course It s like the captain of a ship steering us towards progress and development Without it we d be lost at sea But let s not forget our other two musketeers Citizens are the ones who elect their leaders and hold them accountable for their actions They re like the referees in a football match making sure everyone plays fair And stakeholders They re like the chefs in a kitchen making sure the recipe for success is followed to the tee So if you want to have a successful democracy remember to keep these three musketeers in check Give good governance the captain s hat let citizens be the referees and let stakeholders be the chefs Together they ll whip up a deliciously democratic society
