When Tradition Meets Celebration My City Links, 2025-06-02 Raja A rich amalgamation of tradition, celebration and family connect. Festivals and traditions have a way of rekindling memories tucked away between the folds of life experiences accumulated over the years. Nothing illustrates this better than Raja, the annual agrarian festival that is celebrated with great enthusiasm across Odisha. Our Cover Story looks at the family bonding and emotions that the festival has traditionally been associated with. We also reach out to Odias in other parts of the country and the world to get a sense of what Raja means to them. In CityZen we zero in on a startup that is using technology, particularly AI, to ensure that quality healthcare is available in the rural areas. Founder Priyadarshi Mohapatra opens up about his organisation's guiding principles and operational model in addition to plans of expansion into more underserved regions. As the world prepares to mark the Pride Month in June, City Lights brings you conversations with persons who identify as being part of the LGBTQIA community, capturing myriad hues of struggles, hopes and aspirations. Operation Sindoor India's fierce response to the dastardly Pahalgam terror attack by Pakistan-backed terrorists was marked by the use of armed drones for precision attacks. Drones produced by a Bhubaneswar-based company played a key role when it came to terrain mapping and target identification. Founder Boddhisatwa Sanghapriya tells us more about it in City Tech. A fast-paced life, particularly when it comes to working professionals in urban areas, has led to a proliferation of quick delivery services for food and groceries as well as items of daily use. Scratch beneath the surface, however, and one is exposed to the dark and troubled underbelly of these operations. Read more about it in City Beat. The run-up to Raja invariably sees excitement build up as the Odia film industry lines up new releases for an eager audience. ScreenShots brings you the lowdown on what to expect during the festive season. CityFlix reviews Superboys of Malegaon, a movie that is as much about celebrating films as it is about saluting the indomitable spirit of those involved in making them. It is, in fact, an inspiring if somewhat poignant take on life itself. As our reviewer puts it, 'It's about the courage to dream even if the dream is stitched together with tape wire and undying hope.' Elsewhere in the edition, City Literature explores the work of Japanese playwright Toshikazu Kawaguchi while City Tales continues with the series on temple tanks in Bhubaneswar.

My City Links My City Links, 2022-06-02 For three days Raja, an essentially agrarian festival, becomes an occasion for everyone, particularly women, to blend tradition with some fun activities and traditional delicacies. This year's Raja celebration comes with more than the

usual share of anticipation with people anxious to put the COVID 19 pandemic behind them The tradition rich festival is the theme for our Cover Story this time The 2018 judgement scrapping Section 377 of the Indian Penal Code IPC was a landmark when it came to the rights of the LGBTQ community but it takes more than just changes in laws for mindsets to change In City Beat we explore how this community still has to bear the brunt of cultural and socio economic prejudices and discrimination City Beat also takes a close look at a practice that remains an area of concern despite being declared illegal Yes we are talking about ragging of fresh students in colleges and other institutions of higher education across Odisha Our CityZen for this edition is Aastha Mohapatra who is regarded as the first opera singer from Odisha Her journey has been an inspiring one from Hindustani classical music to the Mozart Children s Choir of India to the global opera circuit Our special feature on World Environment Day focuses on green homes for a sustainable future The good news is that a growing number of people are now interested in this concept We bring you some tips on how to go about planning your dream green home Over the past few years short format video content has become highly popular on social media platforms like Instagram and YouTube In City Lights we catch up with a bunch of newage comic content creators They are young innovative and eager to move away from what used to pass off as comedy in the decades gone past Over the past two years the COVID 19 pandemic had an impact on almost every sphere of life and the entertainment industry was no exception But with things looking up now Ollywood is all set for a flurry of film releases in the Raja season We bring you all the details in Screen Shots
