Ralph Peer and the Making of Popular Roots Music (Enhanced Edition) Barry Mazor, 2015-04-01 This is the first biography of Ralph Peer the adventurous even revolutionary A R man and music publisher who saw the universal power locked in regional roots music and tapped it changing the breadth and flavor of popular music around the world It is the story of the life and fifty year career from the age of cylinder recordings to the stereo era of the man who pioneered the recording marketing and publishing of blues jazz country gospel and Latin music The book tracks Peer s role in such breakthrough events as the recording of Mamie Smith s Crazy Blues the record that sparked the blues craze the first country recording sessions with Fiddlin John Carson his discovery of Jimmie Rodgers and the Carter Family at the famed Bristol sessions the popularizing of Latin American music during World War II and the postwar transformation of music on the airwaves that set the stage for the dominance of R B country and rock n roll But this is also the story of a man from humble midwestern beginnings who went on to build the world s largest independent music publishing firm fostering the global reach of music that had previously been specialized localized and marginalized Ralph Peer redefined the ways promising songs and performers were identified encouraged and promoted rethought how far regional music might travel and changed our very notions of what pop music can be This enhanced e book includes 49 of the greatest songs Ralph Peer was involved with from groundbreaking numbers that changed the history of recorded music to revelatory obscurities all linked to the text so that the reader can hear the music while reading about it

Japan, 1904 *Song Interpretation in 21st-Century Pop Music* Ralf von Appen, André Doehring, Allan F. Moore, 2016-03-03 Existing books on the analysis of popular music focus on theory and methodology and normally discuss parts of songs briefly as examples The impression often given is that songs are being chosen simply to illuminate and exemplify a theoretical position In this book the obverse is true songs take centre stage and are given priority The authors analyse and interpret them intensively from a variety of theoretical positions that illuminate the song Thus methods and theories have to prove their use value in the face of a heterogeneous contemporary repertoire The book brings together researchers from very different cultural backgrounds and encourages them to compare their different hearings and to discuss the ways in which they make sense of specific songs All songs analysed are from the new millennium most of them not older than three years Because the most widely popular styles are too often ignored by academics this book aims to shed light on how million sellers work musically Therefore it encompasses a broad palette highlighting mainstream pop Lady Gaga Ke ha Lucenzo Amy McDonald but also accounting for critically acclaimed indie styles Fleet Foxes Death Cab for Cutie PJ Harvey R B Destiny s Child Janelle Monae popular hard rock Kings of Leon Rammstein and current electronic music Andr s Bj rk By concentrating on 13 well known songs this book offers some model analyses that can very easily be studied at home or used in seminars and classrooms for students of popular music at all academic levels

Donna the weather is great the sunsets are super and the stars twinkle brightly Perfect right No It s super boring Nothing real ever happens Everybody says I spend too much time daydreaming in my own little world At least my dreams are more interesting than Alta Donna But what if Alta Donna is hiding a secret The two new kids in town are up to something No one could be as good a baseball player as Damiano and no one could be as charming as In s The moment they arrived life in Alta Donna stopped being perfect and started getting weird Who are they really I always say if you need a puzzle solved look for someone with a BIG imagination And that s me Nola

The Code of Photography Vlad Eftenie, Grigorescu Daniela Alexandra, Beyond the glam aura of photography beyond the number of social media likes and online virality beyond technique and the so called winning settings of a high performance camera lie hidden the true premises of creating a great image curiosity presence attention to everything around and a unique space time light emotion sequence driving the photographer observer to open up to invisible layers of the world which are eager to be brought to the foreground There are no recipes But an honest guidance into the territory of photography doesn t urge one to access predefined solutions but to discover the bonanza of possibilities within the one who wishes to write with light Vlad Eftenie proposes a deep and poetic approach to the photographic gesture In an endeavor that combines technique aesthetics visual storytelling confession and elements of language that are essential for a sensitive understanding of the field the architect photographer but especially the fl neur who feeds on the city and shoots until he exhausts the vibrations in his plexus becomes a guide in our inner journey towards taking that memorable photograph
