traditions and to such socio musical topics as class race gender religion government policy media and technology *We Got That Summer Love* Malina Green,2014-05-24 Sixteen year old Isabella Green and her family go to the beautiful California for summer vacation for her father s business trip Isabella was crushed that she doesn t get to spend the summer with her friends but soon everything changes not only does she have her eyes on the beautiful beaches and oceans but also on two hunks Paul Zimmer and Danny Edge her summer turns around for the best and worst *Catalog of Copyright Entries* Library of Congress. Copyright Office,1959 *African American Music* Mellonee V. Burnim,Portia K. Maulsby,2014-11-13 *African American Music An Introduction* Second Edition is a collection of seventeen essays surveying major African American musical genres both sacred and secular from slavery to the present With contributions by leading scholars in the field the work brings together analyses of African American music based on ethnographic fieldwork which privileges the voices of the music makers themselves woven into a richly textured mosaic of history and culture At the same time it incorporates musical treatments that bring clarity to the structural melodic and rhythmic characteristics that both distinguish and unify African American music The second edition has been substantially revised and updated and includes new essays on African and African American musical continuities African derived instrument construction and performance practice techno and quartet traditions Musical transcriptions photographs illustrations and a new audio CD bring the music to life *At a Theater or Drive-in Near You* Randall Clark,2013-12-17 Millions of Americans have been thrilled scared titillated and shocked by exploitation movies low budget films with many scenes of sex violence and other potentially lurid elements The term derives from the fact that promoters of such films exploit the contents in advertising that plays up the sexual or violent aspects of the films This is the first comprehensive study of the American exploitation film to be published It discusses five distinct genres the teen movie the sexploitation film the martial arts movie the blaxploitation film and the lawbreaker picture Contained within these genres are many popular American film types including beach movies biker pictures and women s prison movies The study provides a history and sociopolitical analysis of each genre focusing on significant films in those genres It also discusses the economics of exploitation films and their place in the motion picture industry the development of drive in theaters the significance of the teenage audience and the effect of the videocassette Finally the book applies major film and cultural theories to establish an aesthetic for evaluating the exploitation film and to explore the relationship between film and audience *Youth and Popular Culture in 1950s Ireland* Eleanor O'Leary,2018-04-05 Focusing on a decade in Irish history which has been largely overlooked *Youth and Popular Culture in 1950s Ireland* provides the most complete account of the 1950s in Ireland through the eyes of the young people who contributed slowly but steadily to the social and cultural transformation of Irish society Eleanor O Leary presents a picture of a generation with an international outlook who played basketball read comic books and romance magazines listened to rock n roll music and skiffle made their own clothes to mimic international styles and even danced in the street when the major stars and bands of the day rocked into town She argues

that this engagement with imported popular culture was a contributing factor to emigration and the growing dissatisfaction with standards of living and conservative social structures in Ireland As well as outlining teenagers resistance to outmoded forms of employment and unfair work practices she maps their vulnerability as a group who existed in a limbo between childhood and adulthood Issues of unemployment emigration and education are examined alongside popular entertainments and social spaces in order to provide a full account of growing up in the decade which preceded the social upheaval of the 1960s Examining the 1950s through the unique prism of youth culture and reconnecting the decade to the process of social and cultural transition in the second half of the 20th century this book is a valuable contribution to the literature on 20th century Irish history
