The Retrospective Review, 1853 *Retrospective Review*, 1853 Customs in Common E. P. Thompson, 2015-09-22

The meticulously researched elegantly argued and deeply humane sequel to the landmark volume of social history *The Making of the English Working Class* The New York Times Book Review This remarkable study investigates the gradual disappearance of a range of cultural customs against the backdrop of the great upheavals of the eighteenth century As villagers were subjected to a legal system increasingly hostile to custom they tried both to resist and to preserve tradition becoming as E P Thompson explains rebellious but rebellious in defense of custom Although some historians have written of riotous peasants of England and Wales as if they were mainly a problem for magistrates and governments for Thompson it is the rulers landowners and governments who were a problem for the people whose exuberant culture preceded the formation of working class institutions and consciousness Essential reading for all those intrigued by English history *Customs in Common* has a special relevance today as traditional economies are being replaced by market economies throughout the world The rich scholarship and depth of insight in Thompson s work offer many clues to understanding contemporary changes around the globe This long awaited collection is a signal contribution from the person most responsible for inspiring the revival of American labor history during the past thirty years The Nation This book signals the return to historical writing of one of the most eloquent powerful and independent voices of our time At his best he is capable of a passionate sardonic eloquence which is unequalled The Observer The Comprehensive English Dictionary John Ogilvie, 1864 *Men Without Dates ; And, Slam!* Jane Willis, 1985 THE STORIES MEN WITHOUT DATES The place is a seedy country western bar in lower Manhattan where two young firemen Sal and Murph are carousing They are long time friends who find themselves at a point of crisis Murph is about to enter a lovele
