**Winds of Homecoming** Christopher Goodchild,2021-11-26 It is rare for me to support a book that I feel confident is truly worth a reader s attention and re reading It is beautifully crafted and full of a heart s intelligence Clearly it comes from years of experience and deep reflection It will take you to a healing place in yourself and inspire you to live with all your talents and limitations Thomas Moore author of Care of the Soul Written in the true spirit of the wounded healer The Winds of Homecoming draws from and is enriched by the poetry and writings of Rainer Maria Rilke These fifty short meditative reflections offer you hope and inspiration to embrace your loss and loneliness transforming what is limiting and restrictive into something freeing and infinitely expansive Through his writing Christopher Goodchild walks alongside us not in his role as spiritual guide but as a fellow traveller writing from a deeply human place of vulnerability He does not just tell us how to sit in the contemplative fire and be transformed he shows us He shows us by the life he has lived and continues to live Christopher s latest book written with his characteristic lyricism and tender hearted compassionate observations on the human condition is enhanced by four evocative woodcuts by Kent Ambler Allow the Winds of Homecoming to guide you home
