European Welfare States and Globalization Ali Hajighasemi,2019 This timely book assesses how Europe s welfare states have dealt with the challenges of globalisation and the financial crisis It asks whether the European Union has adopted a general strategy for dealing with four major threats to the sustainable development of European societies the employability of a growing number of redundant workers an aging population low birth rates and the persistent problem of gender inequality The book will be an important read for social policy scholars particularly those focusing on European welfare states how they differ and lessons to be learnt from them It also highlights key lessons from a broad range of case studies to help policymakers in understanding how and where improvements may be made in the future

The Statecraft of Consensus Democracies in a Turbulent World José Magone,2016-12-19 Taking a multi dimensional and multi spatial approach this book examines the consensus democracies of Austria Belgium Luxembourg the Netherlands and Switzerland over the past 40 years It examines how these democracies have been transformed by Europeanization and globalization yet are able to maintain political stability

The Precarious Generation Judith Bessant,Rys Farthing,Rob Watts,2017-05-08 This book draws on a wealth of evidence including young people s own stories to document how they are now faring in increasingly unequal societies like America Britain Australia France and Spain It points to systematic generational inequality as those born since 1980 become the first generation to have a lower standard of living than previous generations While governments and experts typically explain this by referring to globalization new technologies or young people s deficits the authors of this book offer a new political economy of generations which identifies the central role played by governments promoting neoliberal policies that exacerbate existing social inequalities based on age ethnicity gender and

class The book is a must read for social science students human service workers and policy makers and indeed for anyone interested in understanding the impact of government policy over the last 40 years on young people **Proceedings of The 5th MAC 2015** group of authors,2015-10-14 The 5th Multidisciplinary Academic Conference in Prague 2015 Czech Republic
