Oh Salaam Interlink World Fiction:

Oh, Salaam! Najwa Barakat, 2015-03-06 ACCLAIMED NOVEL WITH COMPELLING TREATMENT OF GENDER ROLES AND THE EFFECTS OF CIVIL WAR Najwa Barakat's *Oh Salaam* Yaa Salaam Arabic 1999 tells the story of three friends whose lives are transformed by their participation in the inhuman civil war of some unnamed Arab country and by their relationship with the novel's anti heroine Salaam Two of the friends live to see the arrival of peace but they struggle to make a life for themselves in a society that has no need for former militiamen Meanwhile the death of the third Salaam's fiancé remains a mystery until the closing pages of the novel Some scenes recall *No Exit* as the three main characters use and torment each other In others their cruelty and coarse behavior is reminiscent of the antisocial counterculture of *Clockwork Orange* Initially repulsed the reader is drawn to discover whether any of the characters will succeed in finding love making it rich or getting out of the country alive The fast reading plot is shocking throughout yet it generates a compelling fascination to observe the ultimate consequences of violence and sexual exploitation The depictions of civil war torture oppressive gender roles and sexual exploitation are challenging to read but unfortunately they remain very relevant *Oh Salaam* has been translated into Italian and French Both the original and the translations alike have received the praise of critics for the novel's compelling treatment of antisocial characters gender roles and the effects of civil war

Multilingual Literature as World Literature Jane Hiddleston, Wen-chin Ouyang, 2021-05-06 Multilingual Literature as World Literature examines and adjusts current theories and practices of world literature particularly the conceptions of world global and local reflecting on the ways that multilingualism opens up the borders of language nation and genre and makes visible different modes of circulation across languages nations media and cultures The contributors to Multilingual Literature as World Literature examine four major areas of critical research First by looking at how engaging with multilingualism as a mode of reading makes visible the multiple pathways of circulation including as aesthetics or poetics emerging in the literary world when languages come into contact with each other Second by exploring how politics and ethics contribute to shaping multilingual texts at a particular time and place with a focus on the local as a site for the interrogation of global concerns and a call for diversity Third by engaging with translation and untranslatability in order to consider the ways in which ideas and concepts elude capture in one language but must be read comparatively across multiple languages And finally by proposing a new vision for linguistic creativity beyond the binary structure of monolingualism versus multilingualism
