Franck Bright,2022-06-13 A History of England Medi val Monarchy James Franck Bright may seem like one of the countless books that recount English history but it still manages to set itself apart from the rest The book itself is written in both a lyrical and eloquent yet still informative way As one of the Masters of Oxford one could expect nothing less from Bright whose passion for history is palpable and infectious no matter who his audience is **Civil service guide** Robert Johnston (F.R.G.S.),1893 Ideas of Contract in English Political Thought in the Age of John Locke Martyn P. Thompson,2019-08-01 Originally published in 1987 This book analyses what Englishmen understood by the term contract in political discussions during the late seventeenth and early eighteenth centuries It provides evidence for reconsidering conventional accounts of the relationships between political ideas groups and practices of the period But also suggests cause for examining the general history of modern European contract theory It considers contract as a term appearing in a spectrum of works from philosophical treatise to sermons and polemical pamphlets Looking at the various vocabularies relating to contractualist ideas the author suggests that standard histories of social contract theory and particular histories of English political thought during this unstable period have misrepresented the meaning of the term contract as a key term in political argument He shows that there were in fact three different categories of contract theory but allows that the various kinds of contractualism did share certain broad features This study of a crucial age in the history of appeals to contract in political argument will be of interest to political philosophers and historians **A Complete Collection Of State-Trials And Proceedings For High-Treason And Other Crimes and Misdemeanours** Francis Hargrave,1776 *The Grand National History of England* John Malham,1815 **The Illustrated London News** ,1846 The Encyclopaedia Britannica ,1833 The Newspaper ,1848 **The Gardeners' Chronicle and Agricultural Gazette** ,1848 *Gardeners' Chronicle and Agricultural Gazette* ,1868 The Nation ,1872 **The Anglo American** ,1844 **The Athenaeum** ,1854 **Free Press and Diplomatic Review** ,1855 Gardeners' Chronicle ,1868 **The Examiner** ,1852 *Athenaeum and Literary Chronicle* ,1854 **The Law Times** ,1903
