

ROMAN THEATRE

Use your knowledge of Roman mythology to pick the theatrical masks that fit best with the stage scenes on the other pages.

or use your imagination to choose some masks and make up your own story. Simply cut out the masks you want and stick them onto the stage scenes or draw your own. Draw in the missing faces and add what they're thinking, saying, feeling, etc. Then, when there is a plot, your characters will have their own personalities. For the most dramatic scenes, try to use the masks together to show the whole story on the stage scene.

Theatre of Sexual Attraction and Psychological Destruction Karl A.E. Enenkel, 2024-11-11 The book examines the myth of Hercules and Omphale Iole which became an important topic in the visual arts in the period 1500-1800. It offers an analysis of the iconography from the perspective of the history of emotions, classical and Neo-Latin philology, reception studies, and gender studies. The early modern inventions of the myth excel in a skilful display of mixed and compound emotions such as the male character's psychopathology and of the theatrical performance of emotions by the female character. This book provides a detailed analysis of the conventions and techniques of performance characteristic of the Greek theatre of Menander and the subsequent Roman theatre of Plautus and Terence. Drawing on literary and archaeological sources and on scientific treatises, David Wiles identifies the mask as crucial to the actor's art and shows how sophisticated the art of the mask maker became. He also examines the other main elements which the audience learned to decode: costume, voice, movement, etc. In order to identify features that were unique to Hellenistic theatre, he contrasts Greek New Comedy with other traditions of masked performance. A substantial part of the book is devoted to Roman comedy and shows how different Roman conventions of performance rest upon different underlying assumptions about religion, marriage, and class. **Mojo**, 2006. *Encyclopaedia Britannica* Harry S.
