and of course with the oral presentations being gone as soon as they are given I have thought it wise to select epitomize and bring them together in one place here Thus what follows in these volumes is what I consider to be the most important of my shorter works All translations are my own unless otherwise indicated **Chase's Calendar of Events 2017** Editors of Chase's,2016-09-23 Since 1957 the definitive day by day resource of what the world is celebrating and commemorating with 12 500 entries and exhaustive appendices Chase s is the one stop shop for everything from national days to celebrity birthdays or moon phases to historical anniversaries and festivals An exclusive companion website makes searching a snap

The Struggle Is Eternal Joseph R. Fitzgerald, 2018-12-14 Many prominent and well known figures greatly impacted the civil rights movement but one of the most influential and unsung leaders of that period was Gloria Richardson As the leader of the Cambridge Nonviolent Action Committee CNAC a multifaceted liberation campaign formed to target segregation and racial inequality in Cambridge Maryland Richardson advocated for economic justice and tactics beyond nonviolent demonstrations Her philosophies and strategies including her belief that black people had a right to self defense were adopted often without credit by a number of civil rights and black power leaders and activists The Struggle Is Eternal Gloria Richardson and Black Liberation explores the largely forgotten but deeply significant life of this central figure and her determination to improve the lives of black people Using a wide range of source materials including interviews with Richardson and her personal papers as well as interviews with dozens of her friends relatives and civil rights colleagues Joseph R Fitzgerald presents an all encompassing narrative From Richardson s childhood when her parents taught her the importance of racial pride through the next eight decades Fitzgerald relates a detailed and compelling story of her life He reveals how Richardson s human rights activism extended far beyond Cambridge and how her leadership style and vision for liberation were embraced by the younger activists of the black power movement who would carry the struggle on throughout the late 1960s and into the 1970s
