 Education **Emily Post** Laura Claridge,2009-10-13 In an engaging book that sweeps from the Gilded Age to the 1960s  
 award winning author Laura Claridge presents the first authoritative biography of Emily Post who changed the mindset of  
 millions of Americans with *Etiquette* a perennial bestseller and touchstone of proper behavior A daughter of high society and  
 one of Manhattan s most sought after debutantes Emily Price married financier Edwin Post It was a hopeful union that ended  
 in scandalous divorce But the trauma forced Emily Post to become her own person After writing novels for fifteen years Emily  
 took on a different sort of project When it debuted in 1922 *Etiquette* represented a fifty year old woman at her wisest and a  
 country at its wildest Claridge addresses the secret of *Etiquette* s tremendous success and gives us a panoramic view of the  
 culture from which it took its shape as its author meticulously updated her book twice a decade to keep it consistent with  
 America s constantly changing social landscape Now nearly fifty years after Emily Post s death we still feel her enormous  
 influence on how we think Best Society should behave **Organisational Development in Practice** Kevin  
 Flinn,2025-08-25 *Organisational Development in Practice* A Complexity Approach draws on conventional critical and  
 complexity thinking in relation to organisational development with a view to exploring what s useful and what s not This book  
 proffers an approach to organisational development that helps to develop support and maintain more democratic  
 collaborative inclusive and sustainable ways of learning working and living The author explores the practicalities of working  
 with the frustrations and inconsistencies involved in coping with the patterns of human interaction that inevitably make up  
 organisations where planned and emergent approaches co exist whether we would like them to or not Woven in between the  
 personal essays are vignettes from a range of international practitioners reflecting on their own experiences in the field This  
 book a radically different approach to organisational development is suitable for advanced students and researchers of  
 organisation and organisational development organisation studies human resource management and executive education It  
 will also be of interest to practising managers *Ordering America* William H. Young,2010 *Ordering America* painting a  
 felicitous portrait of Western civilization shows that its defining ideals rooted in man s common human nature a perception  
 newly substantiated by modern evolutionary psychology were best fulfilled by realization of the American founding order  
 Twentieth century progressivism and postmodern multiculturalism detoured America down the way of social constructionism  
 human nature and equality are produced by culture and the state through groups The book sets a course to revive the

Western ideals and return to an opportune center right American order applying latest scientific insights and restoring individual responsibility and reciprocity under more limited still energetic government befitting our century     **The Little Bookroom Guide to New York City with Children** Angela Hederman, Michael Berman, 2014-05-20 The Little Bookroom Guide to New York City with Children focuses on what parents with good taste want to know how to see New York City in a child centered way without passing up any of the city's sophisticated food sights or shops just because the kids are along Organized around EAT PLAY SHOP and STAY the authors take you to well known museums and attractions but also take you out of tourist thronged Midtown and into corners of the city that New Yorkers themselves love to take their children They share strategies for must sees that can easily overwhelm the dazzling but daunting Metropolitan Museum of Art Chinatown Chelsea Market and share the offbeat and little known places their own kids love a matzoh factory a classic film showing a chance to dance with ballerinas Chicken tenders Fuggedaboutit The authors take you to the hip food truck scene to world class restaurants that welcome children one has a 5 noodle bowl for kids that's under the radar to word of mouth neighborhood favorites that only the locals frequent and offer an array of delectable options in every part of town at every price Shopping in NYC is like nowhere else you can find cool kids clothes and toys that make unforgettable souvenirs of an unforgettable trip     **Political Action** Michael Walzer, 2019-02-26 Political theorist Michael Walzer's classic guide is a perfect introduction to social activism including what to do advice for deciding which issues to take on organizing fundraising and providing effective leadership Political Action is a how to book for activists that was written at one of the darkest moments of the Nixon administration and remains no less timely and intelligent and useful today Michael Walzer draws on his extensive engagement in the civil rights and antiwar movements of the 1960s to lay out the practical steps necessary to keep movement politics alive both in victory and in defeat What do people need to do when out of outrage or fear of looming disaster they come together to demand change Should they focus on one or several issues Should they form coalitions What can and can't be accomplished through electoral politics How can movements operate democratically What is effective leadership Walzer addresses such questions with clarity concision wisdom and wit in a book that everywhere insists not only on the centrality of movement politics to the health of democratic societies but on the deep satisfaction that is to be found there Political Action is both an indispensable resource for activists and a lasting and inspiring summons to arms

*Descartes' Meditations on First Philosophy* Kurt Brandhorst, 2010-07-16 Descartes Meditations is one of the most commonly studied texts in introductory philosophy courses Rather than simply telling the reader what to think Meditations invites them to undertake a philosophical journey for themselves This book is designed to accompany readers on that journey it prepares them for its demands helps them to engage with each stage of the text and suggests ways through the more difficult passages Brandhorst offers students a fresh approach by bringing to life the path of self discovery encapsulated in the work and maintaining the focus on metaphysics Readers are guided through the text step by step which encourages

careful reading and presents them with the opportunity to learn to philosophise for themselves This book engages with what the text says rather than what is said about the text in order to help readers discover or rediscover for themselves what Meditations has to say
