of Defense Dictionary of Military and Associated Terms Barry Leonard,2011 This is a print on demand edition of a hard to find publication This dictionary sets forth standard U S military and associated terminology to encompass the joint activity of the Armed Forces of the United States in both U S joint and allied joint operations as well as to encompass the Department of Defense DoD as a whole These military and associated terms together with their definitions constitute approved DoD

terminology for general use by all components of the DoD The Sec of Defense has directed the use of this dictionary throughout the DoD to ensure standardization of military and associated terminology Update of 2002 edition *Our Harsh Logic* ,2012-09-18 Hundreds of Israeli soldiers speak out about the Palestinian occupation revealing that their presence is not merely for defense but also to accelerate the acquisition of Palestinian land and work against an independent Palestinian nation

Our Harsh Logic Breaking the Silence,2012-09-18 Israeli soldiers speak out for the first time about the truth of the Palestinian occupation in one of the most important books on Israel Palestine in this generation The New York Review of Books The very name of the Israel Defense Forces which many Israelis speak of as the most moral army in the world suggests that its primary mission is the defense of the country s territory Indeed both internationally and within Israel support for the occupation of Palestinian territory rests on the belief that the army s actions and presence in the West Bank and Gaza are essentially defensive and responsive aimed at protecting the country from terror But Israeli soldiers themselves tell a profoundly different story In this landmark work which includes hundreds of soldiers testimonies collected over a decade what emerges is a broad policy that is anything but defensive In their own words the soldiers reveal in human and vivid detail how the key planks of the army s ostensibly protective program prevention of terror separation of populations preservation of the fabric of life and law enforcement have in fact served to accelerate acquisition of Palestinian land cripple all normal political and social life and ultimately thwart the possibility of independence The many soldiers who have spoken out have taken aim at a silence of complicity both within Israel and in the wider world that perpetuates the justification for occupation

In the process they have created a gripping and immediate record of oppression Powerful and incontrovertible Our Harsh Logic is a supremely significant contribution to one of the world s most vexed conflicts **AK4812 - TANKER**
