The Great Experiment Yascha Mounk, 2023-02-07 One of

Barack Obama's Recommended Reads for Summer A brave and necessary book Anyone interested in the future of liberal democracy in the US or anywhere else should read this book Anne Applebaum A convincing humane and hopeful guide to the present and future by one of our foremost democratic thinkers George Packer From one of our sharpest political thinkers a brilliant big picture vision of how to bridge the bitter divides within diverse democracies Never in history has a democracy succeeded in being both diverse and equal treating different ethnic or religious groups fairly And yet achieving that goal is now central to the democratic project It is Yascha Mounk argues the greatest experiment of our time Drawing on history social psychology and comparative politics Mounk explains why we need to create a world in which our ascriptive identities come to matter less not because we ignore global injustices but because we have succeeded in addressing them The Great Experiment is that rare book that offers both a profound understanding of an urgent problem and genuine hope for our human capacity to solve it As Mounk contends it is up to us and the institutions we build whether we come to see each other as strangers or compatriots Giving up on the prospect of diverse democracies is simply not an option and that is why we must strive to realize a more ambitious vision for the future of our societies

Minorities and Representation in American Politics Rebekah Herrick, 2016-01-29 Minorities and Representation in American Politics is the first book of its kind to examine underrepresented minorities with a framework based on four types of representation descriptive formalistic symbolic and substantive Through this lens author Rebekah Herrick looks at race ethnic gender and sexual minorities not in isolation but synthesized within every chapter This enables readers to better recognize both the similarities and differences of groups underrepresentation Herrick also applies her unique and constructive approach to intergroup cooperation and intersectionality highlighting the impact that groups can have on one another [Health Disparities, Diversity, and Inclusion](#)
