wonderful print trilogy Pines Wayward Pines and The Last Town What is the truth Are the residents of Wayward Pines dead

the town s hospital New residents are obligated to read and memorize the town s welcome manual But the book does not
offer a exit solution only advice that inside the town is life and outside only brings death Why are residents being told that
they could start life afresh and live an idyllic existence if they just follow the rules that Pilcher has promulgated Rules that
prevent them on pain of death from leaving Wayward Pines Is it just a town as the veteran inhabitants tell the new resident
Or it something else The truth is that humanity has disappeared and that Wayward Pines residents are the last remnant of
