| J   | Left Front Speaker (+)     | Purple                                        | White                                   |
| K   | Ground Wire (if available) | metal brackets on radio                       | Black                                   |
| L   |                            | Do Not Use                                    |                                         |
| M   | +12 Volt Battery Wire      | Pink                                          | Yellow                                  |
| N   | Power Antenna Wire         |                                               | Blue                                    |
| O   | Right Front Speaker (-)    | Brown w/ White Stripe                         | Gray w/ Black Stripe                    |
| P   | Left Front Speaker (-)     | Green w/ Yellow Stripe                        | White w/ Black Stripe                   |

Note: using an optional snap on wire harness adapter will simplify the wiring. Most snap on wire harness adapters have already converted and color coded the wires from the auto makers in dash wire harness to match typical aftermarket radio wire colors.

\*\* The wire colors listed in the chart above are typical for these vehicles during these years but may not be the exact colors for this vehicle. This is another reason to use a snap on wire harness adapter. \*\*
