Versatile and practical with options for small, large, and mixed age groups alike. Simple liturgies provide a complete resource for children's Liturgy of the Word for Episcopal and Catholic churches. Joins Year A and B editions, completing the series. Ask almost any clergy or educator what one of their biggest challenges in worship is likely to be: coming up with ideas for including children in worship. This book provides a whole year's worth of activities and ideas, complete with artwork and visual aids. These sixty-four outlines have been developed and used in an Anglican parish Church of England over the last eight years by a professional educator, artist, and experienced children's minister. The worship outlines include simple children's liturgies and a complete lesson or story plan that harmonizes with the lectionary. Through fun ideas, children encounter a real aspect of the Christian faith, focused on a theme from each Sunday's Gospel. Each outline includes a variety of options which make them appropriate for small and large groups of children, as well as mixed age groups. Illustrated throughout, the text and full color artwork are included on a CD-ROM for downloading, printing, and copying.
