Net Privacy Sacha Molitorisz, 2020-05-21 In our digital world we are confused by privacy what is public what is private We are also challenged by it the conditions of privacy so uncertain we become unsure about our rights to it We may choose to share personal information but often do so on the assumption that it won't be re-shared sold or passed on to other parties without our knowing In the eighteenth century philosopher Jeremy Bentham wrote about a new model for a prison called a Panopticon where inmates surrounded the jailers always under watch Have we built ourselves a digital Panopticon Are we the guards or the prisoners captive or free Can we be both When Kim Kardashian makes the minutiae of her life available online which is she With great rigour this important book draws on a Kantian philosophy of ethics and legal frameworks to examine where we are and to suggest steps conceptual and practical to ensure the future is not dystopian Privacy is one of the defining issues of our time this lively book explains why this is so and the ways in which we might protect it

We Walk Amy S. F. Lutz, 2020-10-15 In this collection of beautiful and raw essays Amy S F Lutz writes openly about her experience the positive and the negative as a mother of a now twenty one year old son with severe autism Lutz's human emotion drives through each page and challenges commonly held ideas that define autism either as a disease or as neurodiversity We Walk is inspired by her own questions What is the place of intellectually and developmentally disabled people in society What responsibilities do we as citizens and human beings have to one another Who should decide for those who cannot decide for themselves What is the meaning of religion to someone with no abstract language Exploring these questions We Walk directly and humanly examines social issues such as inclusion religion therapeutics and friendship through the lens of severe autism In a world where public perception of autism is largely shaped by the quirky geniuses featured on television shows like The Big Bang Theory and The Good Doctor We Walk demands that we center our debates about this disorder on those who are most affected by its impacts
