Gaebel,2013-11 This cookbook was originally written as a Christmas gift for my daughter Lindsey I worked morning noon and night to gather a collection of recipes from my own kitchen as well as recipes from family and friends These recipes were Lindsey's favorites those she would request time after time The more people I talked to about their recipes the more people would come to me because they heard I was looking for Lindsey's favorites What started out to be just a little booklet was turning into a full fledged cooking encyclopedia I gave Lindsey the small unedited version for Christmas that year with the understanding that I needed it back so that I could put together the other recipes I had collected I continued working on my book and what started out as a forty page cookbook was now over one hundred pages This book contains a conglomeration of recipes from friends family and even Lindsey as well as from me and my fianc Curt We have all contributed our best loved favorite recipes No matter who contributed the recipes they are all contributed with love After all that was the original intent

of my gift to my daughter Finally I give this gift to Lindsey with all my love *Answering The Call* ,Jeff,Cathy Carr,2021-08-05 The phrase answering the call can be interpreted in many different ways answering the call of duty answering the call on a phone or answering the call that comes with the responsibility of being a parent or in this case a father As a father I never wanted to experience the emotions of shock confusion and grief that cascaded into total devastation But that s exactly what happened the day I answered that call When life ends prematurely we must choose how to respond All things changed all timelines changed and when I look back and remember certain events that have occurred I preface them by saying that happened before or that happened after the call I received about my son Rob Most people don t know what a Gold Star Family organization is I knew it was an honorable organization but I didn t know much more than that Membership cannot be purchased It cannot be inherited and you can t join on your own Membership is gained only through the tragic loss of an immediate family member during combat the loss of someone who was brave enough to serve our country and pay the ultimate sacrifice I knew I never wanted to be a member of such an honorable organization and I m sure no one else does either However my family and I became a member of the Gold Star Families on March 13 2007 the very day I answered the call We are a genuine blended American family with three military children As most blended families we have a complex set of dynamics and challenges but we try to work through them with love and sometimes in a messy way There is no normal in our lives anymore Someone once said Normal is just a setting on a dryer And I couldn t agree more This is my journey of shock grief devastation and finally closure A journey which portrays deep love deep pain and deep faith And this horrific journey started the day that I answered the call Minimalist Baker's Everyday Cooking Minimalist Baker,2016-04-26 Husband wife team Dana and John Shultz founded the Minimalist Baker blog in 2012 to share their passion for simple cooking and quickly gained a devoted following of millions worldwide Now in this long awaited debut cookbook Dana shares 101 vibrant simple recipes that are entirely plant based mostly gluten free and 100% delicious Each recipe requires 10 ingredients or fewer can be made in one bowl or requires 30 minutes or less to prepare It s a totally no fuss approach to cooking that is perfect for anyone who loves delicious food that happens to be healthy too With recipes for hearty entr es easy sides nourishing breakfasts and decadent desserts Simply Vegan will help you get plant based meals that everyone will enjoy on the table in a snap and have fun doing it With essential plant based pantry and equipment tips along with helpful nutrition information provided for each and every recipe this cookbook takes the guesswork out of vegan cooking with recipes that work every time Artists, Obsessives and Chicago Originals Christopher Borrelli,2013-04-09 Reporter Christopher Borrelli has a fascination with the quirky and the obsessive and a talent for finding unique angles and stories when it comes to artists entertainers and everyday people This book collects his in depth profiles of celebrities as well as profiles and commentary on everyday people he affectionately calls obsessives The kind of folk who fascinate Borrelli can be workers at a local prop shop carhops at the fast food chain Sonic or a video collective that has over 4 000 VHS copies of Jerry
