Schmid,2013-02-22 In Yesterdays Reflections author Albert F Schmid invites us to consider the various holidays that are celebrated throughout the year He provides interesting facts about each holiday and includes the religious origins of them where relevant because many of our holidays have a religious connection He also explains important points about the

holidays such as why Easter is always on a Sunday and why Thanksgiving is always on the fourth Thursday in November In addition he includes devotionals on topics ranging from Contentment to God Is Where Love Is Each devotional includes the pertinent Scriptures a story to illustrate the point being made and Schmid's comments For example The Rear View Mirror tells the story of Grace who remembers her father's advice for driving in the snow find a snow plow and follow it When she encounters a blizzard she does this an hour later the driver stops to make certain she is all right as he had plowed a large parking lot was moving on to the next business and was concerned when he noticed that she was following him We often become comfortable thinking that we can just follow the snow plow when in truth we need to learn to trust God and let Him lead the way Yesterdays Reflections is an inspiring collection that reminds us that we are Christ's ambassadors and that God expects each of us to live and act as though He is making His appeal through us The best sermons are not preached they are lived

The Ghost in Love Jonathan Carroll,2008-09-30 I envy anyone who has yet to enjoy the sexy eerie and addictive novels of Jonathan Carroll They are delicious treats with devilish tricks inside them Michael Dirda The Washington Post Neil Gaiman has written Jonathan Carroll has the magic He'll lend you his eyes and you'll never see the world in quite the same way ever again Welcome to the luminous and marvelously inventive world of The Ghost in Love A man falls in the snow hits his head on a curb and dies But something strange occurs the man doesn't die and the ghost that's been sent to take his soul to the afterlife is flabbergasted Going immediately to its boss the ghost asks what should I do now The boss says we don't know how this happened but we're working on it We want you to stay with this man to help us figure out what's going on The ghost agrees unhappily it is a ghost not a nursemaid But a funny thing happens the ghost falls madly in love with the man's girlfriend and things naturally get complicated Soon afterward the man discovers he did not die when he was supposed to because for the first time in their history human beings have decided to take their fates back from the gods It's a wonderful change but one that comes at a price The Ghost in Love is about what happens to us when we discover that we have become the masters of our own fate No excuses no outside forces or gods to blame the

responsibility is all our own It s also about love ghosts that happen to be gourmet cooks talking dogs and picnicking in the rain with yourself at twenty different ages Stephen King has said that Jonathan Carroll is as scary as Hitchcock when he isn t being as funny as Jim Carrey Jonathan Lethem sees Carroll as the master of sunlit surrealism However one regards this beguiling original two facts are indisputable It s tough being a ghost on an empty stomach And *The Ghost in Love* is a triumphant return Congressional Record United States.
