A Pilot's Guide to Risk and Judgment Victor G. Vogel MD CFI CFI-I,2025-09-26 As a pilot judgment means weighing the risks and rewards of a proposed flying activity and proceeding in a way that boosts the likelihood of a safe outcome Victor G Vogel has learned that predicting risks can be fraught with uncertainty and various factors can be unanticipated or unforeseen Whether it s a surprise storm unexpected mechanical failure pilot illness incapacitation or something else emergencies can occur at any time However for most flights risks can be anticipated weighed managed and mitigated successfully Using examples from actual flying experiences the author explores how general aviation pilots can safely fly small aircraft He does so by sharing lessons he gleaned from over forty five years of flying singleengine airplanes in all types of weather over flat and mountainous terrain during the day and at night Join the author as he shares insights and techniques that will give you the confidence to fly in any terrain avoid dangerous weather and conduct regular missions to distant unfamiliar airports in a cautious reliable way Ten Journeys to Cameron's Farm Cameron Hazlehurst,2013-11-11 In the whole history of government in Australia this was the most devastating tragedy Three decades after what he called a dreadful air crash almost within sight of my windows Robert Menzies wrote I shall never forget that terrible hour I felt that for me the end of the world had come Ten Journeys to Cameron s Farm tells the lives of the ten men who perished in Duncan Cameron s Canberra property on 13 August 1940 three Cabinet ministers the Chief of the General Staff two senior staff members and the RAAF crew of four The inquiries into the accident and the aftermath for the Air Force government and bereaved families are examined Controversial allegations are probed did the pilot F Lt Bob Hitchcock cause the crash or was the Minister for Air Jim Fairbairn at the controls Cameron Hazlehurst is a story teller one of the all too rare breed who can write scholarly works which speak to a wider audience In the most substantial original and authoritative account of the Canberra aircraft accident of August 1940 he provides unique insights into a critical poignant moment in Australian history Hazlehurst s account is touched with irony and quirks set within a framework of political social and military history distinctions of class education and rank and the machinations of parliamentary and service politics and of the official mind The research is meticulous and wide ranging the analysis is always balanced and the writing at once skilful and compelling This is a work of an exceptional historian Ian Hancock author of Nick Greiner A Political Biography John Gorton He Did It His Way and National and Permanent The Federal Organisation of the Liberal Party of Australia Ten Journeys to Cameron s Farm is a monumental work of historical research pegged on a single lethal moment at the apex of government at an extraordinarily sensitive time in Australia s history The book embodies top

drawer scholarship deep sensitivity to antipodean class structures and sensibilities and a nuanced understanding of both democratic and bureaucratic politics Christine Wallace author of *Germaine Greer Untamed Shrew* and *The Private Don* the man behind the legend of Don Bradman
