Grandma's Recipe Box Gooseberry Patch, 2021-01-01 Some of our most cherished memories are of visits to Grandma's house and the wonderful meals she cooked for us. When she called us down for breakfast, we knew there would be homemade caramel rolls and hot cocoa waiting just for us. In chilly weather, there was always a hearty kettle of vegetable soup or chili simmering on her stove. At dinnertime, the table overflowed with tender chicken and noodles or slow-baked pot roast, buttery mashed potatoes, brown sugar carrots, because she knew we wouldn't eat them otherwise, and salads fresh-picked from her garden. Her cookie jar was filled with our favorite snickerdoodles or chocolate chip cookies, and there was always a frosted layer cake in the cake stand. So many delicious memories. From Grandma's Recipe Box is chock-full of all these recipes and more shared by cooks like you handed down through generations and still enjoyed today. We've included easy tips for adding down-home flavor to meals and for making get-togethers with family, friends, special. If you enjoy old-fashioned comfort food, you'll love the recipes in this cookbook. 225 Recipes. **The Chance Creek Cheerleader Cookbook** Cora Seton, 2020-06-20 With over one and a half million books sold, NYT and USA Today bestselling author Cora Seton has created a world readers love in Chance Creek, Montana. Celebrated chef Paul Fehribach has made his name serving up some of the most thoughtful and authentic regional southern cooking, not in the South but in Chicago at Big Jones. But over the last several years, he has been looking to his Indiana roots in the kitchen while digging deep into the archives to document and record the history and changing foodways of the Midwest. Fehribach is as painstaking with his historical research as he is with his culinary execution. In *Midwestern Food*, he focuses not only on the past and present of Midwestern foodways but on the diverse cultural migrations from the Ohio River Valley north and westward that have informed them. Drawing on a range of little-explored sources, he traces the influence of several heritages, especially German.

and debunks many culinary myths along the way The book is also full of Fehribach s delicious recipes informed by history and family alike such as his grandfather s favorite watermelon rind pickles sorghum pecan sticky rolls Detroit style coney sauce Duck and manoomin hotdish pawpaw chiffon pie strawberry pretzel gelatin salad and he breaks the code to the most famous Midwestern pizza and BBQ styles you can easily reproduce at home But it is more than just a cookbook weaving together historical analysis and personal memoir with profiles of the chefs purveyors and farmers who make up the food networks of the region The result is a mouth watering and surprising Midwestern feast from farm to plate Flyover this
