Formation for Knowing God F. Gerald Downing, 2015-04-29 God is Self Revealed we are assured by many Christians today Yet this conviction stems only from eighteenth century Enlightenment debates Early and ongoing Christians with their Jewish roots trusted God as a committed and saving but heavily clouded presence whether by God's choice or our inadequacy or both Continuing Christian tradition has thus insisted that there is much more to this God than we can hope to get our heads round Yet such Christians have trusted that this loving saving triune God's purpose is to transform us Godward The divine Word became as we are so we might become as he is Meanwhile some of us at least can find ourselves drawn to share with our predecessors and one another in imagining how this may be And then we may be drawn to realize in practice what we imagine in active service to God among fellow humans and all God's fragile creation Then we may hope we may have been brought to know God more nearly as God is Gerald Downing first argued this fifty years ago and here he restates the issues with fresh insights and renewed hope
