Renewing The Covenantthe S Of Ezra Nehemiah:

The Covenant Renewal in Ezra-Nehemiah, (Neh 7:72b-10:40) Michael W. Duggan, Michael Duggan, 2001 **The books of Ezra, Nehemiah, and Esther, tr. by S. Taylor** Carl Friedrich Keil, 1873 **Ezra and the Second Wilderness** Philip Y. Yoo, 2017-02-17 Ezra and the Second Wilderness addresses the relationship between Ezra the Ezra Memoir and the Pentateuch Tracing the growth of the Ezra Memoir and its incorporation into Ezra Nehemiah Philip Y Yoo discusses the literary strategies utilized by some of the composers and redactors operating in the post exilic period After the strata in Ezra 7 10 and Nehemiah 8 10 are identified what emerges as the base Ezra Memoir is a coherent account of Ezra s leadership of the exiles from Babylon over the course of a single year one that is intricately modelled on the multiple presentations of Moses and the Israelite wilderness preserved in the Pentateuch Through discussion of the detected influences allusions and omissions between the Pentateuch and the Ezra Memoir Yoo shows that the Ezra Memoir demonstrates a close understanding of its source materials and received traditions as it constructs the Babylonian returnees as the inheritors of torah and in turn the true and unparalleled successors of the Israelite cult This study presents the Ezra Memoir as a sophisticated example of biblical interpretation in the Second Temple period It also suggests that the Ezra Memoir has access to the Pentateuch in only its constituent parts Acknowledging not only the antiquity but also efficacy of its prototypes the Ezra Memoir employs a variety of hermeneutical strategies in order to harmonize the competing claims of its authoritative sources In closing the temporal gap between these sources and its own contemporary time the Ezra Memoir grants authority to the utopic past yet also projects its own vision for the proper worship of Israel s deity Why a "New Testament"? Levi S Baker, 2025-09-22 Why would early Christians perceive the need for a New Testament Unfortunately most studies on the NT canon concentrate on its development and closing to the neglect of its impetus Yet NT texts like 1 Tim 5 18 and 2 Pet 3 16 reveal that within the first century early Christians began receiving recent Christian texts as Scripture on par with their Old Testament scriptural collection What explains this rapid and remarkable development Levi Baker traces the connection between Scripture and covenant in early Judaism and early Christianity arguing that the answer lies in early Christianity s conviction that Jesus had inaugurated the new covenant Beyond the Qumran Community John J. Collins, 2010 With the full publication of the Dead Sea Scrolls fresh analysis of the evidence presented can be and indeed should be made Beyond the Qumran Community does just that reaching a surprising conclusion the sect described in the Dead Sea Scrolls developed later than has usually been supposed and was never confined to the site of Qumran John J Collins here deconstructs the Qumran community and shows that the sectarian documents actually come from a text spread throughout the land He examines the Community Rule or Yahad and considers the Teacher of Righteousness a pivotal figure in the Essene movement After examining the available evidence Collins concludes that it is in fact overwhelmingly likely that the site of Qumran housed merely a single settlement of a very widespread movement *Prayer and Poetry in the Dead Sea*

Speaking with God Phillip G. Camp, Elaine A. Phillips, 2021-09-30 Incline your ear O Lord and answer me for I am poor and needy Ps 86 1 God s people past and present know that the Lord of all creation listens to their prayers for mercy help forgiveness and justice God s people cry out to the heart of their God sometimes through intense struggle and perplexity and they expect an answer There can be no less in a true relationship They also celebrate their experiences of God s faithfulness There is no area of life outside the bounds of prayer The essays in this collection written by biblical scholars explore Old Testament prayers in order to enrich our understanding of Israel s beliefs about and relationship with God Equally important for each of the authors is the following question Why do these prayers matter for the life of the church today

Remembering the Covenants in Song Young-Sam Won, 2019-08-20 In biblical and theological studies fresh perspectives and novel approaches can breathe new life into familiar subjects Remembering the Covenants in Song reconsiders the Abrahamic and Mosaic covenant relationship through the unique biblical and canonical lens of a postexilic song In Psalm 105 the psalmist s intriguing intertextual engagement with both of Israel s great covenant traditions provides a rare glimpse into the covenant understanding of a postexilic biblical writer interacting with the Torah Remembering the Covenants in Song entails an intertextual study of Psalm 105 that brings the psalmist s rhetorical design and covenant references into a dialogue with the Torah s seminal covenant texts The examination of the psalmist s use of covenant references and allusions

represents an innovative approach to assessing the rhetorical significance of intertextuality in biblical writings The Oxford Handbook of the Historical Books of the Hebrew Bible Brad E. Kelle, Brent A. Strawn, 2020 This collection of essays provide resources for the interpretation of the Historical Books of the Hebrew Bible that includes the books of Joshua Judges Samuel Kings Chronicles Ezra and Nehemiah The contributors to this collection are guided by two primary questions 1 What does this topic have to do with the Old Testament Historical Books and 2 How does this topic help readers better interpret the Old Testament Historical Books By first providing a critical survey of prior scholarship each essay prepares the reader before presenting current and prospective approaches to understanding these texts Mixed Marriages Christian

Frevel, 2012-04-26 Intermarriage and group identity in the Second Temple Period will be investigated from different points of view with regard to methodology and analyzed texts With an introduction to the history of research and a summarizing final section the individual contributions will be associated with the larger context of the recent debate Thus not only the diversity

of texts on mixed marriage within the Hebrew Bible and related scripture will be shown and emphasized but the question of continuity and discontinuity as well as the socio historical background of marriage restrictions will be dealt with too Covering a wide range of texts from almost every part of the Hebrew Bible as well as from Elephantine Qumran and several pseudepigrapha like Jubilees its focus is on possible counter texts with a more positive notion of foreign wives in addition to restrictive and prohibitive texts These different approaches will illuminate the dynamics of the construction of group identity culminating in conflicts concerning separation and integration which can be found in the debate on the topic of the correct marriage

Privilege the Text! Abraham Kuruvilla, 2013-04-25 Privilege the Text spans the conceptual gap between biblical text and life application by providing a rigorous theological hermeneutic for preaching Kuruvilla describes the theological entity that is the intermediary between ancient text and modern audience and defines its crucial function in determining valid application Based on this hermeneutic he submits a new mode of reading Scripture for preaching a Christiconic interpretation of the biblical text a hermeneutically robust way to understand the depiction of the Second Person of the Trinity in Scripture In addition Kuruvilla s work provides a substantive theology of spiritual formation through preaching what it means to obey God the Christian s responsibility to undertake faith full obedience to divine demand and the incentives for such obedience all integral to understanding the sermonic movement from text to application Privilege the Text promises to be useful not only for preachers and students and teachers of homiletics but for all who are interested in the exposition of Scripture that culminates in application for the glory of God

Boda, Paul L. Redditt, 2008 Until the late 1960s the scholarly consensus was that Chronicles Ezra Nehemiah was a single unified literary work Then arguments began to be mounted for treating Chronicles as a distinct composition and the majority of scholars were swayed by these arguments though others retained the older consensus view In recent years some scholars have begun to suggest that Ezra and Nehemiah are distinct literary entities This new debate is the occasion for the present volume Here scholars from around the globe Canada Finland Germany Guatemala Israel Korea the Netherlands United Kingdom United States showcase current scholarly explanations for the final shape of this literary complex known as Ezra Nehemiah Fourteen scholars present their approach to the unity or disunity of this literature employing research methodologies that range from the diachronic to the synchronic Critical responses to this emerging
