Television and Postfeminist Housekeeping Elizabeth Nathanson, 2013-04-02 In this book Nathanson examines how contemporary American television and associated digital media depict women's everyday lives as homemakers, career women, and mothers. Her focus on American popular culture from the 1990s through the present reveals two extremes: narratives about women who cannot keep house and narratives about women who only keep house. Nathanson looks specifically at the issue of time in this context and argues that the media constructs panics about domestic time scarcity while at the same time offering solutions for those very panics. Analyzing TV programs such as *How Clean is Your House*, *Up All Night*, and *Supernanny*, she finds that media's portrayals of women's time is crucial to understanding definitions of femininity, women's labor, and leisure in the postfeminist context.

The Perfect Parents Handbook Jennifer Conlin, 2013-09-24 Hilarious and witty take on modern parenting styles. *The Perfect Parents Handbook* is an unputdownable read for anyone who's ever forked over major three figures for the must-have stroller or agonized over what their children's school says about them as parents. With a classification system that has every parenting style down to a T, this book gently skewers modern mothers and fathers while simultaneously delighting them with its dead-on accuracy in describing the habits and accouterments of nine types, including The Neo Trad Dad who makes the cupcakes and kids' artwork is everywhere, not just on the fridge; the family's taste always exceeds its wallet; The Martyr Parents who've sacrificed so much for the kids that the kids have taken over the asylum; The Power Parents whose IV sessions that led to triplets were coordinated on mom and dad's Blackberries; and the real British nanny who swabs the babies' Burberry button-downs on the way to their five-bedroom Park Avenue apartment. The Classic Parents: Everybody's in LL Bean and their 2-3 children all climb into a little red wagon to get to the SUV. Laced with titillating facts about our child-centric culture, unique baby announcements, nursery decorators, mandatory volunteering at preschool, *The Perfect Parents Handbook* decodes the complex and terrifying smothering, doulas, educational vacations to the rainforest world of raising kids.

Garner's Modern English Usage Bryan A. Garner, 2022 Garner's *Modern English Usage* is one of the most influential style guides ever written for the English language. With more than a thousand new entries, 200 replacement entries, and thoroughly updated usage data, this fifth edition is fully abreast of the times and further establishes the author as the authority on effective writing.

Popular Science, 2003-12 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Garner's Modern American Usage Bryan Garner, 2009-08-27 Since first appearing in 1998, Garner's *Modern American Usage* has established itself as the preeminent guide to the effective use of the English language. Brimming with witty, erudite essays on troublesome words and phrases, this book authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers, whether the issues relate to grammar, punctuation,

word choice or pronunciation Now in the third edition readers will find the Garner's Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout Garner's Modern American Usage 3e is the first usage guide ever to incorporate such a language change index and the judgments are based both on Garner's own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved **Automotive News** ,2004 *Journal of Integrated Marketing Communications* ,2008 *The Torch* ,2008
