ABC Company

Purpose

ABC Company recognizes that our employees are our most valuable asset and the most important contributors to our continued growth and success. ABC Company will do everything possible to prevent workplace accidents and is committed to providing a safe working environment for all employees.

Motor vehicle accidents are a leading cause of work-related fatalities. The environment in which these accidents occur involves numerous complex factors, many uncontrollable. The purpose of ABC Company's Driver Safety Policy is to provide the means to reduce such factors to eliminate unnecessary injuries and fatal circumstances. We value our employees not only as employees but also as human beings who are crucial to the success of their families, the local community and ABC Company.

To further this goal, we have developed a Driver Safety Policy effective 6.1.18. This policy applies to all employees, whether they are driving a company vehicle, a rental vehicle for company business or a personal vehicle for company business.

POLICY GUIDELINES

Driver Eligibility:

- Drivers must possess a valid driver's license for the type of vehicle to be operated, and keep the license(s) with them at all times while driving.

Drug/Alcohol Testing:

- Initial and periodic random drug and alcohol testing is mandatory. Testing will be conducted by a licensed medical facility designated by ABC Company. Any positive results will be grounds for termination. Driving under the influence of alcohol or any other illegal substances will be grounds for termination.

Insurance Requirements:

- Employees who use their personal vehicles for company business are required to carry adequate limits of liability, with a suggested minimum of \$100,000 for property damage and \$300,000 for bodily injury. A copy of the declaration page of your personal automobile insurance policy must be provided to ABC Company annually at your renewal date.

Basic Vehicle Operation Guidelines:

Employees are required to adhere to the following basic vehicle operation principles:

- Always use seat belts.
- Drive defensively. Always anticipate what other drivers on the road might do wrong and plan your mode of escape. Never move through traffic aggressively.
- Respect speed limits and traffic signs. Follow all traffic signals.
- Always lock the vehicle and apply the parking brake when getting out, even if it remains in sight.
- During long trips, take breaks every four hours. Never drive more than 10 hours during a 24-hour period.
- When possible, avoid driving after midnight.
- Avoid driving in dangerous conditions, including drowsiness and inclement weather.

Clay's Handbook of Environmental Health Stephen Battersby, W.H. Bassett, 2004-05-27 This classic definitive reference work for all those involved in environmental health is now available in its 19th edition. Significant changes include those made to chapters on food safety and hygiene, environmental protection, the organisation and management of environmental health in the UK, port health and waste management. New chapters have been added on health development, an introduction to health and housing, contaminated land and environmental health in emergency planning, as well as a new glossary of abbreviations and acronyms. New material on training and standards, IT, practical risk assessment and investigatory powers is also included. Each chapter reflects the wider background against which the subjects must be studied and the new concepts and approaches that have emerged over the past few years.

Lowe's Transport Manager's and Operator's Handbook 2017 David Lowe, Clive Pidgeon, 2017-02-03 Now in its 47th edition, Lowe's Transport Manager's and Operator's Handbook is the most comprehensive guide available to the operational rules and guidelines governing the UK's road transport operators. This best-selling handbook provides an essential reference to factors that are of utmost importance in today's road transport industry. It includes details on professional competence, working times and driving hours rules, speed cameras and penalties, the international road haulage market and drugs testing for drivers. Lowe's Transport Manager's and Operator's Handbook is the essential reference source for any transport manager, fleet operator, owner, driver, haulier or student with an involvement in the industry. The 47th edition has been thoroughly updated and revised to reflect the latest developments in the industry.

Highway Safety Literature, 1980 **Annual Report to Congress - National Transportation Safety Board** United States. National Transportation Safety Board, 1979 **The Excellence Engine Tool Kit** Chester D. Rowe, Stephen M. Davis, 2008-08-23 This revised workbook introduces the use of a new Cause Investigation tool, the Cause Road Map. This Cause Road Map is a multi-function event cause investigation tool that provides a structured approach to finding the underlying causes for events. It will provide a comprehensive taxonomy for EVERY cause investigation, including root cause, apparent cause, equipment cause and common cause. This workbook guides the reader through the use of various investigation analysis and event modeling tools, including the Excellence Engine's Cause Road Map. Following the discussion on various investigation and modeling tools, the authors show why integrating multiple tools with the Cause Road Map is necessary to reveal latent causal factors. This revised workbook also includes discussions on many other topics key to the success of event investigations.
