Rent Discovering Psychology 6th Edition:

Exploring Psychology, Sixth Edition, in Modules David G. Myers, 2004-12-07 The success of the modular version of David Myers's bestselling brief text Exploring Psychology proves the author's longheld belief supported by independent research that for a number of students a text comprised of 45 15 page chapters is more effective than one of 15 45 page chapters Exploring Psychology Sixth Edition in Modules includes all the features and up to date content of the current edition of Exploring Psychology organized into 45 modules It is accompanied by its own expansive variety of media and supplements similar to the Exploring Psychology package also reorganized to match the modular format This is NOT a brief version of Psychology Seventh Edition in Modules Rather this text is a MODULARIZED version of Exploring Psychology Sixth Edition

Exploring Psychology, Sixth Edition, in Modules Study Guide Richard O. Straub, 2004-12-06 For every major content section longtime author Richard Straub has divided each module by major topic each section includes a Preview objectives that require short answers and Stepping Through the Section which include detailed fill in the blank questions The Study Guide also includes self tests critical thinking exercises vocabulary and language activities Internet activities and crossword puzzles Bowker's Complete Video Directory, 2000 Video Source Book, 2008 Essentials of Psychiatric Mental Health Nursing - Revised Reprint - E-Book Elizabeth M. Varcarolis, 2014-01-10 NEW Chapter on stress identifies symptoms and triggers of stressors NEW Selected Concept boxes include pertinent information at the beginning of every chapter NEW Cultural Considerations sections reinforce the principles of culturally competent care NEW Additional discussions of QSEN are incorporated in the Nursing Process and QSEN chapter NEW Opening unit pages include photos and information about the most important contributions of psychiatric mental health nursing pioneers NEW Updated Table of Contents improves content flow and eliminates redundancy **Treatment Plans and Interventions in Couple Therapy** Norman B.

Epstein, Mariana K. Falconier, 2024-02-13 Filled with rich case examples this pragmatic book provides a complete toolkit for couple focused cognitive behavioral therapy CBT The book presents guidelines for planning and implementing evidence based treatment for diverse couples It explains how to assess relationship functioning as well as the strengths and needs of each partner and the sociocultural factors that shape their experiences Drawing on decades of clinical experience and research the authors demonstrate ways to tailor CBT for couples struggling with partner aggression infidelity sexual problems financial issues parenting conflicts depression anxiety and other individual problems and more Therapists of any theoretical orientation will find tools they can easily incorporate into their work with couples More than 20 ready to use client handouts discussed in the book are available to download and print Resolving Social Dilemmas Margaret Foddy, Michael Smithson, Sherry Schneider, Michael A. Hogg, 2013-05-13 This book presents an accessible and state of the art survey of current research on social dilemmas A social dilemma arises when actions that are justifiable in terms of individual rationality e.g. over harvesting resources or using private instead of public transportation threaten the common good and in

the long run the individual's own self interest as well The study of social dilemmas has important links with many areas in psychology as well as with cognate disciplines such as risk analysis environmental science political science and economics Accordingly the book should appeal not only to psychologists but also to a wider audience of scholars and researchers Contributors include both established authorities and recent innovators and the organization and contents of the book reflect the most recent trends in this exciting area Increased attention is given to modeling dynamics and processes in social dilemmas and greater emphasis placed on exploring structural solutions to dilemmas New findings and theoretical developments regarding group and inter group processes are highlighted and a move is made away from a heavy reliance on laboratory experiments and game theory to field studies and real world applications A scholarly prospective chapter at the beginning and an integrative concluding chapter provide useful overviews of the area and the contributions to the book
