Dear [Mr./Mrs./Ms.] [Hiring Manager's Name],

I am writing to apply for the Instructional Aide position at XYZ School. I am a high school graduate with a degree in English and three years of experience working as a teacher's assistant in a special education classroom.

I have worked with students who have learning disabilities and physical disabilities, including deaf and hard-of-hearing students, students who are blind and visually impaired, students with autism and behavior issues, and students with intellectual disabilities. I am able to help children with their schoolwork, prepare teaching materials for teachers, assist with classroom management and discipline, supervise recesses and lunch periods, maintain student records and files, support teachers at field trips, substitute for absent teachers when necessary, perform clerical duties such as photocopying papers, grading papers, and filing papers.

Core Responsibilities & Achievements include:

- Worked on a team of 7 instructional aides to create daily schedules for students' IEPs that included math, reading, writing, social studies, and science.
- Implemented whole class lessons for children with autism and other disabilities.
- Conducted individualized instruction for a child with dyslexia and ADHD.
- Provided paraprofessional support to special education teachers in order to implement individualized education plans.

My passion is to work with children with special needs and to help them achieve their goals. I believe that my hands-on experience as an instructional aide will make me an excellent asset at your school. Please find more information about my qualifications in the attached resume.
