Village Medical Manual: A Layman's Guide to Health Care in Developing Countries Mary Vanderkooi,2000 **A First Time Parent's Survival Guide** Clifford Dale James,2015-10-13

Why don't babies come with a how to manual? Wouldn't it be nice to have a pediatrician there with you so you could remember what was said in those well visits and to ask simple questions to? Finally a parenting book that is organized around your baby's well visits isn't written like a text book and meant to calm you down rather than scare you about all the very rare possibilities. Dr. Cliff James is a board certified Pediatrician in private practice for the last 15 years. His goal was to write a book that could both inform and entertain a new parent. With the help of his own baby Kaden you get a look at parenting from a pediatrician point of view as well as the mind of a baby/toddler/evil genius. This book covers: Choosing a pediatrician, Feeding your baby, Pee Poop Puke and Snot, Vaccines, What happens in the hospital, Chapters for each well visit, Developmental milestones, Illnesses, Injuries. This book is designed to bring a little lightheartedness to parenthood with cartoons, jokes, and plenty of Dr. James' own disaster stories as a parent. To often we as pediatricians and parents spend too much time emphasizing how much work it is to be a parent and lose sight of the fact children are hilarious and a great source of joy.

Step By Step, A Tree Planter's Handbook Jonathan Clark, 2024-03-31 This is the 2024 Digital edition of Step By Step full colour interior. Tree planting is known as being one of the hardest jobs in Canada with a culture all of its own. Whether you're considering tree planting as a stepping stone toward a career in forestry, looking for a temporary summer job or merely curious about the work that your friends do, this book will offer an insightful glimpse into what is involved in becoming a successful tree planter in Canada. This book will teach you about planting basics, types of trees, health, safety, nature, forestry practices, camp life, gear, required quality and density standards, maximizing productivity, working with helicopters and hundreds of other minor topics. In addition, if you decide that you want to seek out a planting job, this book has a full chapter that will guide you through the ins and outs of getting your first job, including advice on how to reach out to companies and how to prepare for your interview. This edition also contains current contact information for every major tree planting company in Canada. Used as an essential training resource at more than a dozen established Canadian reforestation companies, this handbook will help prepare you for your first day in camp and help you maximize your earnings through your first and subsequent planting seasons.

Village Medical Manual 7th Edition Mary Vanderkooi, 2019-08-01 Village Medical Manual is a user friendly two volume healthcare guide for lay workers in developing countries with special features that trained medical professionals would also find useful. The intended use is for those who are required by location and circumstances to render medical care. The clear vocabulary along with over a thousand illustrations and diagrams help Western educated expatriates in isolated locations to medically treat people and intelligently refer those that can be referred accordingly. It contains clearly defined procedural techniques and diagnostic protocols for when sophisticated instrumentation and lab tests are not available. It also offers solutions and advice for overcoming barriers to best practices in global health. Volume 1 Principles, Procedures and Injuries elucidates medical procedures for routine medical care as well as emergency situations.
