Filak, 2018-01-02 This book is an exceptional introduction into the world of journalistic writing and editing The author turns the material into a discussion allowing students to better grasp the concepts at hand Dante Mozie South Carolina State University Journalists in today's media environment require a skill set that can be adapted to a variety of media *Dynamics of News Reporting and Writing Foundational Skills for a Digital Age* teaches students the foundational skills they need to successfully report and write the news in an evolving digital landscape Author Vince F Filak offers guidance on the essential skills of the industry while weaving in the how to's of writing digital news Recognizing that well crafted stories are founded on sharp prose this new text covers the foundational elements of newswriting such as lead writing structure and storytelling while also teaching students how to think critically and determine what matters most to their readers Visit the author's blog at www.dynamicsofwriting.com to get tips for teaching the course industry related news sample exercises assignments more Free Poster How To Spot Fake News Also available with *Dynamics of Writing An Exercise Bundle* this text with a student workbook and save Your students save when you bundle this text with a corresponding student workbook Order using bundle ISBN 978 1 5443 2155 4 Learn more SAGE edge FREE online resources for students that make learning easier See how your students benefit **How to Prepare a Standout College Application** Alison Cooper Chisolm, Anna Ivey, 2013-08-06 Demystifying the process of completing a college application Written by two former admissions officers at top universities and current admissions coaches this book is a must have for preparing a winning college application The authors reveal the mystery behind what college admissions officers are looking for and show applicants how to leverage their credentials stand out in the over crowded applicants pool and make a genuine memorable impression This is the book that will help the college bound get off the like many others pile and onto the acceptance list Includes instructions and examples for every component of the college application from writing the essay to answering questions like Why do you want to go to College X Shows how to avoid underestimating the importance of critical features on any application Includes the latest information on the Common Application 4.0 and corrects outdated holdover advice still stressed in many other books This book is filled with step by step advice that students and parents can use immediately and will refer to again and again **Profile Pieces** Sue Joseph, Richard Lance Keeble, 2015-10-14 This book examines the history

theory and journalistic practice of profile writing Profiles and the practice of writing them are of increasing interest to scholars of journalism because conflicts between the interviewer and the subject exemplify the changing nature of journalism itself While the subject often through the medium of their press representative struggles to retain control of the interview space the journalist seeks to subvert it This interesting and multi layered interaction however has rarely been subject to critical scrutiny partly because profiles have traditionally been regarded as public relations exercises or as soft journalism However chapters in this volume reveal not only that profiling has historically taken many different forms but that the idea of the interview as a contested space has applications beyond the subject of celebrated individuals The volume looks at the profile s historical beginnings at the contemporary manufacture of celebrity versus the ordinary at profiling communities countries and movements at profiling the destitute at sporting personalities and finally at profiling and trauma

Next Generation Genres Jessica Singer Early,2022-11-29 Students need updated writing genres and a real reason to write Evolutions in technology and connectivity have brought about significant changes in the ways writing is produced and shared Yet despite monumental shifts in the practice of writing how we teach writing has remained largely static What we need is a new set of genres for writing instruction genres that will speak to students who are already immersed in rich and multifaceted literacy practices through social media gaming and new technologies Jessica S Early s *Next Generation Genres* provides an alternative framework for a secondary writing curriculum that places a central emphasis on helping students gain the experience they need to write with confidence in academic and civic life If your students eyes glaze over when they face a standard essay assignment perhaps it s time to let them try writing an infographic or a podcast
