Heatter, Maida

Recipe For Rum Cakes:

America's Favorite Recipes the Melting Pot Cuisine Uma Aggarwal, 2016-11-10 America is called a melting pot of all cultures. As the immigration of different cultures continues to flood this land of opportunity, a revolution is taking place in the fusion of their cultures and cuisines. This transformation has been very prominent in the last 50 years and it is clearly visible in the emerging American cuisine. Practically, this cuisine has fused to become a spectacular global cuisine. In my book, I am not only giving the recipes that we love so dearly but also tried to emphasize the history and origin of these recipes and describe the use of healthful ingredients and spices to prolong your life. We have to watch what we eat. I am trying to bring this point to the attention of the reader that according to ancient Indian treatises and modern scientific research, it is established that the use of spices is not only for taste but it is for their hidden meaning. They have anti-carcinogenic properties and their use is very important to maintain a good healthy lifestyle. Americans are heavily ridden with obesity, heart diseases, diabetes, breast cancer, and many other diseases. Being an American East Indian pioneer with my East Indian wisdom of Ayurveda, my idea is to make these exotic recipes as healthy as possible by using these spices. I have also tried to capture and write the history and origin of these recipes. My basic point of view is that to make the food delicious, use fresh ingredients, herbs, and spices and do not try to over-load them with various cheeses, creams, sugars, and lards to make them delicious. You are what you eat. Most of these foreign recipes have historical dimensions and origin. They have now shaped themselves gradually to suit the American palate and have become an integral part of American cuisine. We can make them equally delicious by wisely using healthful ingredients. In order to make these books interesting and enjoyable, they are written with easy step-by-step instructions. I am hopeful that these books, *America's Favorite Recipes Part I*, *Part II*, and *Part III* will soon become your favorite coffee table books as well as your recipe books.

American Cake Anne Byrn, 2016-09-06 Cakes have become an icon of American culture and a window to understanding ourselves. Be they vanilla, lemon, ginger, chocolate, cinnamon, boozy, Bundt, layered, marbled, even checkerboard, they are etched in our psyche. Cakes relate to our lives, heritage, and hometowns. And as we look at the evolution of cakes in America, we see the evolution of our history. Cakes changed with waves of immigrants landing on our shores with the availability and scarcity of ingredients, with cultural trends, and with political developments. In her new book *American Cake*, Anne Byrn, creator of the New York Times bestselling series *The Cake Mix Doctor*, will explore this delicious evolution and teach us cake-making techniques from across the centuries, all modernized for today's home cooks. Anne wonders and answers for us why devil's food cake is not red in color, how the Southern delicacy known as Japanese Fruit Cake could be so named when there appears to be nothing Japanese about the recipe, and how Depression-era cooks managed to bake cakes without eggs, milk, and butter. Who invented the flourless chocolate cake, the St. Louis gooey butter cake, the Tunnel of Fudge cake? Were these now legendary recipes mishaps thanks to a lapse of memory, frugality, or being too lazy to run to the store for more flour? Join Anne for this delicious coast-to-coast

journey and savor our nation's history of cake baking From the dark moist gingerbread and blueberry cakes of New England and the elegant English style pound cake of Virginia to the hard scrabble apple stack cake home to Appalachia and the slow drawl Deep South Lady Baltimore Cake you will learn the stories behind your favorite cakes and how to bake them All Cakes Considered Melissa Gray, 2021-10-12 A producer of NPR's All Things Considered takes readers on a culinary adventure in this eclectic but cohesive cookbook featuring 50 cake recipes Publishers Weekly starred review Melissa Gray started as a baking novice but soon became National Public Radio's Cake Lady Every Monday she brought a cake to the office for her colleagues at NPR to enjoy Hundreds of Mondays and cakes later Melissa has lots of cake making tips to share Following the more than fifty recipes in this book readers can develop their cake baking skills alongside Melissa and enjoy irresistible treats like Brown Sugar Pound Cake Peppermint and Chocolate Rum Marble Cake Lord and Lady Baltimore Cakes Dark Chocolate Red Velvet Cake Honey Buttercream and Apricot Jam Cake and more **Cake in a Jar Recipes: Easy, Delicious**
