

Recipe for a Happy Marriage:

In a large-capacity mixing bowl, whisk together:

- ♥ 3 cups of genuine love
- ♥ 2 cups of friendship (not imitation)
- ♥ 1 cup tender affection
- ♥ 2 tablespoons happy thoughts

In a separate container, sift together:

- ♥ 4 cups of commitment, firmly packed
- ♥ 3 cups of selflessness
- ♥ 2 cups of mutual respect
- ♥ 2 cups of hard work
- ♥ 1 cup of forgiveness (not optional)
- ♥ 1 heaping cup of patience
- ♥ 1/2 cup understanding
- ♥ 1/2 cup humility
- ♥ 2 tablespoons of true grit

Fold love and affection mixture into the combined dry ingredients and blend until smooth. Pour into a well-oiled pan and bake until golden.

Glaze with liberal amounts of physical intimacy, then sprinkle heavily with a sense of adventure. Makes 2 generous portions.

Does not freeze well, so plan on baking a fresh batch daily. Best served warm with a side of ice cream.

Recipe Good Marriage

Christina Chitenderu Mthombeni

Recipe Good Marriage:

The Good Marriage: How and Why Love Lasts Judith Wallerstein, 2019-08-09 When it first appeared in 1995 *The Good Marriage* became a best seller. It offers timeless clues to the secret of happy long lasting marriages. Based on a groundbreaking study of fifty couples who consider themselves happily married, psychologist Judith Wallerstein presents the four basic types of marriage: romantic, rescue, companionate, and traditional, and identifies nine developmental tasks that must be successfully undertaken in a good marriage: separation from the family of origin, up and down vicissitudes of early years, children, balance of work and home, dealing with infidelities, and more. The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation, especially in the midst of societal pressures that can tear marriages apart. But they also convey an inspirational message: for almost all of them, their marriage is their single greatest accomplishment. *The Good Marriage* explains why, and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives. Should be required reading for all who are interested in marriage. W. Walter Menninger. Should prove a lifesaver for many couples. Publishers Weekly. Will enrich the sparse literature on happy marriages. USA Today. One of the nice things about *The Good Marriage* is its modesty. It doesn't pretend to offer a philosophy or even a lecture on marriage. It takes no position on the ideologically charged issues of women's marital roles and status. Equally important, it ignores the two most common ways of talking about marriage: as a contract negotiated between two equal parties, and as the pathway to individual fulfillment. For this reason, it is refreshingly free of rights talk and therapy talk. Indeed, Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills. Barbara Dafoe Whitehead, *The Atlantic*. A lagniappe to enduring couplehood. The strength of this study is that Ms. Wallerstein, a gifted interviewer, persuades the couples to reveal their interior lives in rich, explicit detail. Susan Jacoby, *The New York Times Book Review*. Written in a masterful style that often reads like the best popular fiction, Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages. Tara Aronson, *San Francisco Examiner Chronicle*. Groundbreaking. *Boston Globe*. This is a wonderfully readable and immensely valuable book full of wise and original insights about the many, many roads to marital happiness. Judith Viorst. With wisdom, humor, and sympathetic understanding, Judith Wallerstein helps us recognize and rediscover the good marriage: lucid, psychologically sophisticated, and generously wise. David Blankenhorn, *Newsday*. Historically informative as well as profoundly wise. Psychologically. Joan M. Erikson. For a long time, as a Rabbi, I've been using *The Good Marriage* by the late Judith Wallerstein in my pre-marital counseling. She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong. Rabbi Carl M. Perkins. A welcome addition to the field of literature on contemporary marriage. The style is clear, concise.

sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein s new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein s major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health
