Recipe For Southern Greens:

Greens Thomas Head,2016-01-06 Greens collard turnip mustard and more are a defining staple of southern food culture. Seemingly always a part of the southern plate these cruciferous vegetables have been crucial in the nourishing of generations of southerners. Having already been celebrated in operatic terms, composer Price's *Leaves of Green* includes this lyrical note: "From age to age the South has hollered the praises of the toothsome collard greens now get their leafy culinary due." In Thomas Head's *Savor the South* cookbook, Head provides a fascinating culinary and natural history of greens in the South as well as an overview of the many varieties of edible greens that are popular in the region. Including practical information about cultivation, selection, and preparation, Head also shows how greens are embraced around the world for their taste and healthfulness. The fifty-three recipes run from classic southern potlikker styles to new southern and global favorites. From Basic Southern Greens to Turnip Green Tarts to Greens Punjabi Style, cooks will find plenty of inspiration to go green.

Ham Biscuits, Hostess Gowns, and Other Southern Specialties Julia Reed,2024-06-04 The humorist celebrates Southern food, Southern women, and the Southern penchant for enjoying good times in this collection of her food writing. In essays on everything from pork chops to the perfect picnic, Julia Reed revels in the simple good qualities that make the Southern table the best possible place to pull up a chair. She expounds on The Southerner's relentless penchant for using gelatin, why most things taste better with homemade mayonnaise, the necessity of a holiday milk punch, and possibly a Santa hat. How best to cook for compliments: at least one squash casserole, and Lee Bailey's barbecued veal are key. Reed provides recipes for some of the region's best-loved dishes: cheese straws, red velvet cake, breakfast shrimp, along with her own variations on the classics, including Fried Oysters, Rockefeller Salad, and Creole Crab Soup. She also elaborates on worthwhile information every hostess would do well to learn: the icebreaking qualities of a Ramos gin fizz and a hot crabmeat canap, for example; the wow factor intrinsic in a platter of devilled eggs or a giant silver punchbowl filled with scoops of homemade ice cream. There is guidance on everything from the best possible way to eat your luck on New Year's Day to composing a menu in honor of someone you love. Grace and hilarity under gastronomic pressure suffuse these essays, along with remembrances of her gastronomic heroes, including Richard Olney, Mary Cantwell, and M. F. K. Fisher. *Ham Biscuits, Hostess Gowns, and Other Southern Specialties* is another great book about the South from Julia Reed, a writer who makes her experiences in and out of the kitchen a joy to read.
