Ford found inspiration for the new Mustang from its 1967 Fastback model. It examines the powerful appeal of these concepts as part of a wider public mood marked by guilt, nostalgia, and resentment, particularly around the inequalities produced by global capitalism and changes to the nature of work. In doing so, the book engages with urgent questions about the contemporary political climate. Focusing on the UK, it challenges accounts of neoliberalism which frame it as primarily an individualising force and localist definitions of community as mitigating its damaging effects. Finally, it explores how resistance to austerity can challenge these tendencies by offering a politics of solidarity and hope and a forum for experimentation with alternative forms of collectivity. **Exploring British Politics** Mark Garnett, Peter Dorey, 2016-04-14 Exploring British Politics is a concise, comprehensive, and accessible guide to the
