from its beginnings on tiny local stations like WCAL from St Olaf's College in Minnesota to its presence on network and satellite radio of today. The author notes the factors that brought Christian music into the mainstream and discusses how network policies and regulations affected the development of Christian radio. Also considered are the changing demographics that have contributed to the success of Christian broadcasting. Major Christian networks and their evangelical missions are discussed along with such programs as *A Money Minute*, *Life on the Edge*, and *Focus on the Family*, which offer practical, topical advice for today's Christian. The final chapter considers the future of Christian radio.
