Talking with Psychopaths: Mass Murderers and Spree Killers Christopher Berry-Dee, 2023-08-22 Bestselling true crime author Christopher Berry-Dee's latest book tackles the heavy crime of people who randomly kill large numbers of others: spree killers and those who set out to do so in specific places or situations: mass killers. As such killings become more frequent, the ready availability and ease of obtaining firearms and weak background checks in the United States inevitably leads to many of these cases, but there have been other recent examples in the United Kingdom, New Zealand, and Norway where extremely robust firearms legislation could not stop these horrific crimes. What is more difficult to establish is the motivation behind such killings. Some are occasioned by grievance, real or imagined, while others have their origins in a sense of failure or feelings of inadequacy, yet others seem to be driven by a desire for power over their fellow humans, often coupled with an overriding contempt for the lives of others. In a search for answers, Christopher Berry-Dee offers case studies in some of the most infamous mass killings of the past fifty years, from school massacres to workplace killings, hate crimes to familicides. But is the awful truth that such murderers are almost impossible to predict and therefore almost impossible to prevent? Dig in and find out.

Conflict in Blue D. E. Gray, 2013-10 The book *Conflict in Blue: The Marissa Ortega Story* begins where D. E. Gray's second book *True to the Blue* left off. Marissa Ortega, the daughter of deceased police officer Sergio Ortega, who was fired from the Los Angeles Police Department for a bogus charge of filing a false police report, a charge he was later cleared of, is now an LAPD officer herself. After witnessing the murder of her father by a ruthless Hispanic gangbanger when she was just nine years old, she now has a score to settle, not just with the notorious Avenues Street Gang, who reins down terror on the citizens in LA's Northeast Division where she works, but with the LAPD itself. With her

aggressive approach in dealing with the local street gangs she soon finds herself along with her partner on a Mexican Mafia hit list after three Avenues Street Gang members die one of them the little brother of an imprisoned Mafioso at the conclusion of a violent police pursuit Even though she is on a Mafia hit list Marissa sets out to find the gang member who killed her uncle back before she was born and who is now out of prison and back on the streets with EMERO status and who is now considered a parolee at large Things get worse when the hit on Marissa and her partner by gang members goes awry and one of her family members is murdered by accident as well as her partner s wife Marissa eventually teams up with a Bryce Stevens a detective assigned to the Robbery Homicide Division of the LAPD Together they devise a plan to trick Emilio Soto aka Whitey a bumbling Avenues gang member into becoming a confidential informant hoping he will lead them to the individual who killed her uncle and to the gang members who killed her family member and her partner s wife It becomes a race between Marissa Ortega and Jorge Mendoza the Avenues Street Gang leader to see who will stay alive long enough before the other is brought to justice
