«Бурда», 2015-04-21 *Why Am I Here?: A Near-Death Experience with The Ancient of Days* Sarazen Brooks, 2023-09-22 About the Book *Why Am I Here A Near Death Experience with The Ancient of Days* The true story of a journey out of body and through time unlike any ever told Sarazen Brooks first volume in The Blue Books series is a spellbinding recapitulation of an experience she had in 2009 that shook her whole concept of reality to the core It involved the first of two near death experiences to come within the next eight years Her journey beyond the boundaries of time and space began with an encounter with her spirit guide who provided an inspiring series of lessons good news for the soul *The Crossroads* Sudipta Mukherjee, 21-05-15 *The Crossroads* is a story of Aparajita Basu a girl from a humble household of Kolkata who tears away from her family to settle her roots in America with her childhood friend Aniruddha To Aparajita he is everything she ever wanted Love dwindles slowly Fate turns in a blink Dishearten she returns not to her hometown but to a different city where she finds herself a stranger Haunted by her disturbed thoughts obsessed by that one name she finds no escape until she discovers herself standing on a new crossroads An ordinary girl who loses herself to love A lover who turns out to be a betrayer A friendship born on a stormy night Wisdom bred out of miseries A homecoming that completes one full cycle *Three Cities Two Friends One Girl One Story* **Terrible Humans** Patrick Alley, 2024-05-23 Few people have shown more commitment to investigative journalism than Patrick Alley His latest book is a vivid compelling testament to the importance of revealing corruption and wrong doing and shining a light into dark places wherever in the world they are Peter Geoghegan author of *Democracy for Sale* A small number of people motivated by an insatiable greed for power and wealth have driven the world to the brink of destruction They are backed by a pinstripe army of enablers and sometimes real armies too and are

the super villains of corruption and war Some of them hold power greater than nation state and the capacity to derail the world order Propping up their opulent lifestyles is a mess of crime violence and deception on a monumental scale But there is a fightback small but fearless groups of brilliant undercover sleuths closing in on them one step at a time In *Terrible Humans* Patrick Alley co founder of Global Witness and the author of *Very Bad People* introduces us to some of the world s worst warlords grifters and kleptocrats who can be found everywhere from presidential palaces to the board rooms of some of the world s best known companies Pitted against them the book also follows the people unravelling the deals tracking the money and going undercover at great risk From the oligarch charged with ordering the killing of an investigative journalist to the mercenary army seizing the natural resources of an entire African country this is a whirlwind tour of the dark underbelly of the world s super powerful and wickedly wealthy and the daring investigators dragging them into the light PRAISE FOR *Very Bad People* Reads like a John le Carr novel but is in fact very real The Big Issue Part true crime tale part investigative procedural this is the account of the brilliant and necessary superheroes of Global Witness whose superpower is the truth Edward Zwick Director of *Blood Diamond* *Very Bad People* reads like a non stop high speed chase David Farr Screenwriter *The Night Manager* Simply riveting Don t miss it Misha Glenny author of *McMafia* A clear eyed account of a world poisoned by dark money and a welcome reminder that resistance is possible Irish Times

Political Risk Condoleezza Rice, Amy B. Zegart, 2018-05-01 From New York Times bestselling author and former U S secretary of state Condoleezza Rice and Stanford University professor Amy B Zegart comes an examination of the rapidly evolving state of political risk and how to navigate it The world is changing fast Political risk the probability that a political action could significantly impact a company s business is affecting more businesses in more ways than ever before A generation ago political risk mostly involved a handful of industries dealing with governments in a few frontier markets Today political risk stems from a widening array of actors including Twitter users local officials activists terrorists hackers and more The very institutions and laws that were supposed to reduce business uncertainty and risk are often having the opposite effect In today s globalized world there are no safe bets POLITICAL RISK investigates and analyzes this evolving landscape what businesses can do to navigate it and what all of us can learn about how to better understand and grapple with these rapidly changing global political dynamics Drawing on lessons from the successes and failures of companies across multiple industries as well as examples from aircraft carrier operations NASA missions and other unusual places POLITICAL RISK offers a first of its kind framework that can be deployed in any organization from startups to Fortune 500 companies Organizations that take a serious systematic approach to political risk management are likely to be surprised less often and recover better Companies that don t get these basics right are more likely to get blindsided

A Grammar of Alto Perené (Arawak) Elena Mihas, 2015-06-26 Ash ninka Peren belongs to the Kampa group of the Arawak family located in the central Peruvian Amazon in the foothills of the Andes mountains While limited grammatical studies of Kampa languages exist this grammar is by far the most comprehensive study

of any language of this sub family and is one of only two or three comparable studies of Arawak languages more generally

Judicial Review of Competition Law Enforcement in the EU Member States and the UK Maciej Bernatt, Francisco Marcos, Annalies Outhuijse, 2024-09-17 International Competition Law Series 91 Enforcement of competition law often calls for a complex economic and legal assessment and the review of those enforcement decisions usually falls to national courts In this connection however European competition law and legal scholarship have offered scant guidance on how judicial review should and does function This book the first comprehensive systematic and comparative empirical study of judicial review of competition law public enforcement in the EU and the UK provides a thorough understanding of the practical operation of the role of judicial review in competition enforcement A country by country analysis along with a detailed introduction and an incisive comparative summary covers all publicly available judicial review judgments 5 707 in all of final public enforcement actions in relation to Articles 101 and 102 TFEU and relevant national provisions in the twenty seven EU Member States and the UK rendered between 1 May 2004 and 30 April 2021 The data presented draws on a rich database built for the purpose of this study by twenty eight national teams of competition law academics and practitioners For each jurisdiction the analysis focuses on such aspects as the following structure of the national enforcement system number of judgments rendered success rate types of appellants competition rules subject to review grounds of review use of preliminary references appeals involving leniency and or settlements and role of third parties Numerous graphs figures and tables support the presentation In the light it sheds on trends in judicial review of competition law enforcement on a comparative basis and in its data driven assessment of how the decentralised judicial review of EU competition law meets EU integration aims this important study will be of inestimable value to competition lawyers policymakers and academics in developing a confident understanding of precisely how judicial review in this area operates in each of the EU Member States and the UK In addition the book provides a significant contribution not only with respect to EU and national competition laws but also more broadly to comparative administrative law scholarship in Europe **АвтоМир No29-30/2015 ИД**

«Бурда», 2015-07-22 **The Korean Automotive Industry, Volume 2** A.J. Jacobs, 2023-08-24 This volume chronicles the maturation of the South Korean auto industry and its native automakers from the 1997 Asian Crisis to 2019 After examining the context for domestic vehicle production in South Korea the author presents multiple case studies for all five Korean automakers General Motors Korea Daewoo Motors Kia Hyundai Ssangyong and Renault Samsung This includes coverage of Hyundai Kia s foreign plants in North America Europe India China and Emerging Asia The book closes by assessing the five to ten year future outlooks for Korean automakers at home and abroad This important work will prove informative to scholars of business management automotive history international development Asian studies and public administration **АвтоМир No31-32/2015 ИД «Бурда», 2015-08-04** **The Making of Brazil's Black Mecca** Scott Ickes, Bernd Reiter, 2018-10-01 One of the few interdisciplinary volumes on Bahia available The Making of Brazil s Black Mecca Bahia Reconsidered contains

contributions covering a wide chronological and topical range by scholars whose work has made important contributions to the field of Bahian studies over the last two decades The authors interrogate and problematize the idea of Bahia as a Black Mecca or a haven where Brazilians of African descent can embrace their cultural and spiritual African heritage without fear of discrimination In the first section leading historians create a century long historical narrative of the emergence of these discourses their limitations and their inability to effect meaningful structural change The chapters by social scientists in the second section present critical reflections and insights some provocative on deficiencies and problematic biases built into current research paradigms on blackness in Bahia As a whole the text provides a series of insights into the ways that inequality has been structured in Bahia since the final days of slavery

Remembering Marielle Franco from a Theological Perspective Katharina Merian,2024-08-20 In this Open Access book Katharina Merian discusses memories of Marielle Franco from the perspective of the concept of dangerous memory introduced by the political theologian Johann Baptist Metz Franco was an Afro Brazilian human rights activist and city councilor of Rio de Janeiro who was assassinated on March 14 2018 Her murder elicited worldwide protest and empathy Today she is considered an international symbol in the fight for human women and LGBTQ rights Based on the memories of people from Franco s inner circle the study explores Franco s life what it meant to the people around her and how her image was transformed following her murder By critically engaging with Metz s concept of dangerous memory which concerns memories of suffering and unfulfilled hopes that challenge the present Merian demonstrates that the memories of Franco represent a decolonial dangerous memory that sparks individual and collective self empowerment among Black women members of the LGBTQ community and favela residents This work not only contributes to a critical reappraisal of Franco s story and the meaning of her memory in the Brazilian and international context but also proposes a differentiated understanding of dangerous memory that highlights the relationship between solidarity and self empowerment in a moment of existential danger and threat

The Color of Asylum Katherine Jensen,2023-09-05 Congolese migrants wait in long lines in unbearable heat to see immigration officials while Syrians go through an expedited process And while Syrian migrants reported a relaxed and comfortable environment while meeting with immigration officials Congolese migrants were met with distrust and suspicion as they recounted the harrowing and traumatic stories of life in their home country As Jensen shows Syrians are treated so differently from other asylum seekers because the Brazilian state recognizes them as white This dates back to Brazilian immigration policy that followed the abolition of slavery Eager to whiten its population Brazil welcomed a first wave of Syrian and Lebanese immigrants a precedent that would affect the nation s policy toward Syrian refugees in the twenty first century On the other hand anti black racism shapes the experiences of Congolese and other African refugees and entrenches racial inequalities even among those deemed worthy of safe haven

Lemon-Aid New and Used Cars and Trucks 1990-2016 Phil Edmonston,2015-11-21 This book steers buyers through the the confusion and anxiety of new and used vehicle purchases unlike any other car and

truck book on the market Dr Phil Canada's best known automotive expert for more than forty five years pulls no punches

Black Feminist Constellations Christen A. Smith, Lorraine Leu, 2023-12-05 A collection of essays interviews and conversations by and between scholars activists and artists from Latin America and the Caribbean that paints a portrait of Black women's experiences across the region Black women in Latin America and the Caribbean suffer a triple erasure as Black people as women and as non English speakers in a global environment dominated by the Anglophone North Black Feminist Constellations is a passionate and necessary corrective Focused on and written by Black women of the southern Americas the original works composing this volume make legible the epistemologies that sustain radical scholarship art and political organizing by Black women everywhere In essays poems and dialogues the writers in Black Feminist Constellations reimagine liberation from the perspectives of radical South American and Caribbean Black women thinkers The volume's methodologically innovative approach reflects how Black women come together to theorize the world and challenges the notion that the university is the only site where knowledge can emerge A major work of intellectual history Black Feminist Constellations amplifies rarely heard voices centers the uncanonized and celebrates the overlooked work of Black women

Lemon-Aid New and Used Cars and Trucks 2007-2017 Phil Edmonston, 2017-03-11 Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car and truck book on the market Dr Phil along with George Iny and the Editors of the Automobile Protection Association pull no punches

Political Geography Sara Smith, 2020-02-17 Brings political geography to life explores key concepts critical debates and contemporary research in the field Political geography is the study of how power struggles both shape and are shaped by the places in which they occur the spatial nature of political power Political Geography A Critical Introduction helps students understand how power is related to space place and territory illustrating how everyday life and the world of global conflict and nation states are inextricably intertwined This timely engaging textbook weaves critical postcolonial and feminist narratives throughout its exploration of key concepts in the discipline Accessible to students new to the field this text offers critical approaches to political geography including questions of gender sexuality race and difference and explains central political concepts such as citizenship security and territory in a geographic context Case studies incorporate methodologies that illustrate how political geographers perform research enabling students to develop a well rounded critical approach rather than merely focusing on results Chapters cover topics including the role of nationalism in shaping allegiances the spatial aspects of social movements and urban politics the relationship between international relations and security the effects of non human actors in politics and more Global in scope this book Highlights a diverse range of globally oriented issues such as global inequality that demonstrate the need for critical political geography Demonstrates how critiques of political geography intersect with decolonial feminist and queer movements Covers the Eurocentric origins of many of the discipline's key concepts Integrates advances in political geography theory and firsthand accounts of innovative research from rising scholars in the field

Explores both intimate stories from everyday life and abstract concepts central to contemporary political geography Political Geography A Critical Introduction is an ideal resource for students in political and feminist geography as well as graduate students and researchers seeking an overview of the discipline
