Pearce,2007-09-21 **Automobile Industry** Leon R. Domansky,2006 Like it or not the automobile industry is now and will remain an overwhelming factor in the lives of most people if not an owner and driver then as a pedestrian or a breather of air which is being polluted by the gas guzzling and vile air belching monsters created for our individual hedonistic pleasure This book presents issues of current interest to those who cannot ignore their presence **Consumers Index to Product Evaluations and Information Sources** ,2006 **Amen, Amen, Amen** Abby Sher,2009-10-20 Until the age of ten Abby Sher was a happy child in a fun loving musical family But when her father and favorite aunt pass away Abby fills the void of her loss with rituals kissing her father s picture over and over each night washing her hands counting her steps and collecting sharp objects that she thinks could harm innocent pedestrians

Then she begins to pray At first she repeats the few phrases she remembers from synagogue but by the time she is in high school Abby is spending hours locked in her closet urgently reciting a series of incantations and pleas If she doesn't she is sure someone else will die too The patterns from which she cannot deviate become her shelter and her obsession In college Abby is diagnosed with obsessive compulsive disorder and while she accepts this as an explanation for the counting and kissing and collecting she resists labeling her fiercest obsession certain that her prayers and her relationship with God are not an illness but the cure She also discovers a new passion performing comedy She is never happier than when she dons a wig and makes people laugh Offstage however she remains unable to confront the fears that drive her She descends into darker compulsions starving and cutting herself measuring every calorie and incision It is only when her earliest deepest fear is realized that Abby is forced to examine and redefine the terms of her faith and her future Amen Amen Amen is an elegy honoring a mother father and beloved aunt who filled a child with music and their own blend of neuroticism It is an adventure full of fast cars unsolved crimes and close calls It is part detective story part love story about Abby's hunt for answers and someone to guide her to them It is a young woman's radiant and heartbreaking account of struggling to recognize the bounds and boundlessness of obsession and devotion **Autocar & Motor** ,1989-06
