These sample assessment materials have been written to accompany the specification. They have been developed to give you and your students a flavour of the actual exam paper and mark scheme so they can experience what they will encounter in their assessment. They feature:

- **An accessible paper** using a mixture of question styles. We've worked hard to ensure the paper is easy to follow and encourage all students to achieve their full potential.
- **A clear and concise mark scheme** for the paper outlining what examiners will be looking for in the assessment, so you can use the sample paper with students to help them prepare for the real thing.
