

**“There are some other considerations
that I haven’t talked about.”**

Directions: Read the short story and select *one* character. Describe the story, focusing on specific events. Analyze the character's appearance as a literary character. Explain the significance of your analysis. Use specific evidence from the text to support your analysis.

† The average growth rate is a crude approximation for the rate of change of output. When the growth rate is negative, the average rate of change is negative.

12. *What conclusions can you draw from the above analysis for the design of a new system? Do you agree with the conclusions? Do you have any recommendations? Do you have any other comments? Do you have any other questions? Do you have any other comments? Do you have any other questions?*

8. **What does drywall and sheetrock (joint compound) represent and create within/through your work? What do these two materials offer besides their physical properties? The thickness of each layer will represent part of the "unmarked" landscape, but the "marked" landscape is created in the space in between the two. (100)**

8. Revised the paragraph beginning with "The construction team..." to read: "The construction team..."
