where any time you open it you are likely to find something of current interest that relates to your practice and to issues you have been thinking about. If we regard the questions and answers as serving to stimulate thought and discussion then the collection serves a useful purpose indeed. Self Society Does counselling have to be long term to be helpful? Should only women counsel women? How can you evaluate counselling? Is it easy to start your own private practice? In this highly readable book some of Britain's leading experts offer clear answers to these and many other frequently asked questions. The resulting discussion ranges over all aspects of counselling from practical and theoretical to personal and ethical matters. Some questions have straightforward solutions, others prove much more controversial. In both instances the views represented here should go a long way towards encouraging deeper consideration of the principles and practice of counselling.

Past Life Regression Mary Lee LaBay, 2004-12-10. The quest for self knowledge and awareness has gained increasing popularity over the past several decades with an explosion of beliefs and methodologies. Central to these practices is the exploration of past lives. From the curious layperson to the traditional doctor of medicine people are employing various techniques in an effort to facilitate this experience. Certified hypnotherapy instructor Mary Lee LaBay has written *Past Life Regression: A Guide for Practitioners* as a comprehensive text for beginning as well as veteran therapists. Ms LaBay covers both basic and advanced techniques in a philosophical context to help practitioners generate maximum healing and change during the past life session. Through case studies and concise instructions the author demonstrates practical and elegant uses of these techniques that allow the client to discover life purpose, aspects of their relationships, roots of disease, addiction and phobias as well as a wide range of other life issues.
