Schengen Visa Guide

Victor M. Corman

Schengen Visa Guide:

Travel Visa Guide Samuel Asare Gyapong, 2020-02-24 This book is a guide designed to make your visa application process easier save your time and take away the stress you have to go through during the visa process A lot of travelers around the world face visa denial due to lack of education and information about visas As an Entrepreneur and an Author I saw this as a global issue and turned this problem into an opportunity This book features introduction to travel visa Types of visas visa application process general documents required for a visa visa interview questions and answers non immigrant and immigrants visas step by step guide to study abroad a guide to fill US UK Canada Australia and Schengen visa application forms and lastly the importance of having a visa and the challenges you might face for traveling without a visa The last chapter was highlighted in this book to educate migrants who travel through the eastern and mediterranean routes without a visa to Europe and United States

Practical Guide to Schengen Law Fabian Lutz, 2024-06-13 Schengen law is legally complex and at the same time foundational for the free movement objectives of the European Union This Practical Guide to Schengen Law seeks to explain the specific features of Schengen law and its differences from normal EU law It focuses on the territorial scope of application of Schengen law variable geometry and on the determination of the substantive scope of the Schengen acquis It also includes replies to frequently encountered practical questions arising in that field In addition to its descriptive function this guide also aims at closing a gap in the scholarly analysis of Schengen The substance of the Schengen acquis has already been subject of numerous publications with specific emphasis on border controls security and human rights institutional balance and implementation However there has been little scholarly attention to the challenges resulting from the application of the legal criteria introduced in 1999 for distinguishing Schengen related developments of the EU law from the broader Justice and Home Affairs EU law and the resulting legal and political problems
