

**Case#: S14-124567**

Patient: Doe, Jane  
DOB: 10/13/1948

Facility: Community Hospital  
MR#: 8897786  
Age/Sex: 70 yo F

Collected: 01/22/2019  
Received: 01/22/2019  
Reported: 01/26/2019

## Surgical Pathology Report

### DIAGNOSIS

1. Infiltrating Ductal Carcinoma, Moderately Differentiated (SBR score 6), Right Breast Core Biopsies.
2. Ductal Carcinoma in situ, high grade.

**NOTE:** breast marker analysis is pending (IHC and FISH) and an addendum report will be issued. The results were reviewed by the pathologist.

Core Biopsies, Low Power

Infiltrating Ductal Carcinoma

Focal Gland Formation

**CLINICAL HISTORY:** palpable right breast mass; calcifications on mammogram

**SITES:** right breast core biopsies

**GROSS:** Received in formalin are 4 cores of white and yellow tissue, each measuring 2.0 X .03 cm in diameter. Totally embedded in one cassette. MS/ad

**MICROSCOPIC:** Sections reveal infiltrating ductal carcinoma. The tumor is composed of irregular, nests and cords of cells with focal gland formation. Individual cells have irregular nuclei and nucleoli. Well formed glands make up less than 20% of the tumor. Mitoses are occasionally encountered and these number 4 per 10 hpf. The tumor elicits a desmoplastic stromal reaction. Calcifications are seen within a few neoplastic ducts as well as the stroma. There is a focus of ductal carcinoma in situ involving one core. Nuclei are large and have prominent nucleoli. The duct lumen is filled with necrotic debris. All four core biopsies contain infiltrating carcinoma; the longest tumor segment is 1.7 cm in a 2 cm core.

Breast Marker analysis is pending and an addendum report will be issued.

**PREVIOUS BX/PAP HISTORY:** FNA, cyst left breast, benign (5/5/2005)

## Reading Pathology Report And Breast Cancer:

**Breast Cancer and its Precursor Lesions** Patricia A. Thomas, 2010-10-20 Rather than an exhaustive review of all the pathologic conditions of the female breast Breast Cancer and its Precursor Lesions focuses on the current knowledge understanding and issues related to breast cancer and its benign lesions that are associated with an increased risk for the subsequent development of cancer This book targets the language diagnostic terms and critical communication that must take place between primary care physicians breast surgeons oncologists and general surgical pathologists interested in the pathologist's perspective on these important diseases The volume also reviews the current terminology and how to read or write meaningful pathology reports on these entities the foils and nuances of the pathology and implications for management and up to date issues in genomics and proteomics of these conditions The text is succinct fully informative and written in plain language All chapters are presented in a uniform fashion and supplemented by high quality illustrations and tables Breast Cancer and its Precursor Lesions will be of great value to pathologists as well as primary care physicians breast surgeons and oncologists for understanding breast pathology and its implications for management *Breast Cancer: Taking Control* John Boyages, 2013-11-09 Using the familiar image of a garden and a personal plain English style to illustrate your cancer and how it affects your body Professor Boyages MD PhD walks you slowly through the stress and confusion after a diagnosis of breast cancer Learn how to Identify the 20 Control Points the 20 important decisions you need to make before and after your surgery Navigate through the medical maze of breast cancer treatment with detailed descriptions and clear flowcharts that give you a birds eye view of the process Find and research the right treatment team for you Identify the key questions to ask your treatment team before and after treatment Identify the surgical choices for your breast and armpit Understand when you really need radiation therapy chemotherapy or hormonal treatment Preserve your fertility Understand ways of helping to cope with sexuality and early menopause after treatment Some key features Traffic light colours guide you through treatment phases 20 color coded Control Points with detailed flow charts Clear end of chapter Warning Tip and Remember icons and summaries 15 real life patient stories Plain English style with garden and other analogies to explain your breast cancer and its treatment 125 photographs in full color 28 graphically designed diagrams 75 hand picked web links Detailed glossary key references and index **Breast Cancer Answers** Judith King, 2004 Breast cancer answers practical tips and personal advice from a survivor **Essentials of Breast Surgery: A Volume in the Surgical Foundations Series E-Book** Michael S. Sabel, 2009-04-23 This new volume in the Surgical Foundations series delivers need to know current information in breast surgery in an exceptionally economical and user friendly format Coverage encompasses everything from anatomy and physiology evaluation of breast symptoms to discussions of breast cancer risk and management of breast cancer equipping you to face any challenge with confidence Whether reviewing key material in preparation for a procedure or studying for the boards this is an invaluable resource in training and practice Presents

coverage that encompasses anatomy and physiology evaluation of breast symptoms breast cancer risk and management of breast cancer to equip you to face any challenge with confidence Addresses hot topics including gynecomastia neoadjuvant therapy management of ductal carcinoma in situ and Paget s disease risk assessment and genetic testing breast MRI partial breast irradiation microarray analysis and targeted therapies providing you with a current perspective on this fast changing field Begins each chapter with a bulleted list of key points and presents crucial facts in boxes to help facilitate review Features abundant illustrations photographs and tables that clarify complex concepts Follows a concise logical and consistent organization that makes the material easy to review     From Marks to Stars: Overcoming Breast Cancer Ninette

Victory,2023-06-13 The author s personal journey through breast cancer and the incredible transformation she undergoes along the way are chronicled in this riveting and inspiring memoir From Marks to Stars Overcoming Breast Cancer written by Ninette Victory With undying strength and determination Victory leads readers on an emotional and empowering journey giving them hope direction and a feeling of agency in their own struggles In this candid book Ninette Victory bares her soul and reveals the truth about being diagnosed with breast cancer She talks openly about how she was initially overcome with shock anxiety and doubt but then found great fortitude and drive to face the cancer head on She takes the reader on a personal journey through her open and insightful writing revealing the struggles victories and profound moments of self discovery she endured More than just a tale of hardship From Marks to Stars is a moving ode to the resilience of the human spirit and the triumph of the human will in the face of adversity Those who are also dealing with a breast cancer diagnosis can find strength and inspiration in Victory s narrative Her cheerfulness courage and ambition to regain her life after cancer will motivate readers to look within for the power to overcome their own health challenges In this compelling memoir author Victory skillfully interweaves personal tales thoughts and advice to provide a complete and all encompassing view of the breast cancer journey Treatment options self care relationships emotional health and accepting life after cancer are just some of the areas she delves into giving readers invaluable insight and tools on their own paths to recovery Inspired by the bravery strength and determination of those who have battled breast cancer and come out on the other side From Marks to Stars Overcoming Breast Cancer was written With the appropriate support perspective and determination anyone can overcome any problem and Victory s tale is a reminder of that Anyone dealing with breast cancer or caring for someone who is can find encouragement strength and optimism on these pages Anyone looking for direction motivation and a renewed feeling of hope in the midst of misfortune should read From Marks to Stars because of its powerful message honest voice and fascinating storytelling Readers will never forget Ninette Victory s story which will inspire them to overcome their own personal challenges and turn their wounds into bright stars     **Laughing Through the Tears of Breast Cancer** Carla Chesser Rn,Carla Chesser,2005 Laughing through the Tears of Breast Cancer is a source of inspiration for women who have recently been diagnosed with breast cancer and for their caregivers The easy to read style of writing takes you through a

year long journey of dealing with the emotional experiences of the breast cancer diagnosis and the physical treatments that lead to eventual healing Although it is a personal journey this story offers enough similarities that help those who are part of the breast cancer sisterhood recognize that even as they are experiencing their own pain related to this diagnosis many blessings will result By sharing her story through journal writings emails and inspirational messages Carla creates enjoyable reading in a girl talk format with an abundant amount of practical information about breast cancer You will laugh while the tears flow from your eyes as you read her story and share her experiences

**A Life of a Breast Cancer Patient** Somen Banerjee, 2025-06-25 What happens when life splits into two worlds one inside hospital corridors and another within the walls of the home What does it mean to be seen as a survivor when half your heart still trembles When your body heals but your soul still traces the outlines of every scar From hospital rooms that echo with uncertainty to the familiar silence of home where normalcy is redefined this deeply human memoir invites readers into the true story of a woman's courageous path through breast cancer from diagnosis to treatment to healing Written with clarity compassion and personal insight it not only captures the emotional and physical toll of the illness but also serves as a practical guide for anyone navigating a medical crisis With a rare blend of simplicity and scientific accuracy the book sheds light on clinical procedures decoding medical jargon and test reports in language anyone can understand From the role of the immune system to the significance of balanced nutrition from coping with side effects to facing the psychological shifts after treatment this story holds space for both the pain and the power within healing It unpacks the science behind the disease in everyday language and places knowledge back where it belongs in the hands of those who need it most Whether you're a patient caregiver or simply seeking to understand what cancer does to a life and for anyone walking through the fog of uncertainty or supporting someone who is this book offers more than facts It offers strength reflection and hope It's a tribute to the body's quiet resilience and the courage it takes to rebuild life on the other side It reminds us that healing doesn't always mean going back to who we were sometimes it means becoming someone entirely new More than a story of survival this book offers light not as a promise but as a companion It guides readers through the complex terrain of modern medicine from understanding lab markers to decoding symptoms while also revealing the emotional and personal transformations that shape the breast cancer journey

*The 10 Best Questions for Surviving Breast Cancer* Dede Bonner, 2008-09-30 A good mind knows the right answers but a great mind knows the right questions And never are the Best Questions more important than after a diagnosis of breast cancer Drawing on cutting edge research and original interviews including with former surgeon general C Everett Koop bestselling author Dr Susan Love well known breast cancer survivors like Betty Rollin and experts at the top cancer care centers in the world *The 10 Best Questions for Surviving Breast Cancer* is a guide you'll take with you into your doctor's office and keep close to you through every step of your treatment and recovery In addition to the medical questions you'll also learn what you need to ask your friends colleagues and loved ones so that the rest of your life doesn't take a backseat to

your diagnosis How many days I can afford to be out p 211 What questions are my children likely to ask p 261 When will I be comfortable being intimate again with my partner p 234 With a wealth of resources and up to the minute information The 10 Best Questions for Surviving Breast Cancer shows you how to move past a scary diagnosis and use the power of questions to become your own best advocate for your emotional mental physical and financial health      **Essentials of Breast Surgery**

Michael S. Sabel,2009-01-01 This new volume in the Surgical Foundations series delivers need to know current information in breast surgery in an exceptionally economical and user friendly format Coverage encompasses everything from anatomy and physiology evaluation of breast symptoms to discussions of breast cancer risk and management of breast cancer equipping you to face any challenge with confidence Whether reviewing key material in preparation for a procedure or studying for the boards this is an invaluable resource in training and practice Presents coverage that encompasses anatomy and physiology evaluation of breast symptoms breast cancer risk and management of breast cancer to equip you to face any challenge with confidence Addresses hot topics including gynecomastia neoadjuvant therapy management of ductal carcinoma in situ and Paget s disease risk assessment and genetic testing breast MRI partial breast irradiation microarray analysis and targeted therapies providing you with a current perspective on this fast changing field Begins each chapter with a bulleted list of key points and presents crucial facts in boxes to help facilitate review Features abundant illustrations photographs and tables that clarify complex concepts Follows a concise logical and consistent organization that makes the material easy to review      Breast Care Certification Review Connie Henke Yarbro,Debra Wujcik,Barbara Holmes

### **Reading Pathology Report And Breast Cancer Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Reading Pathology Report And Breast Cancer has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reading Pathology Report And Breast Cancer has opened up a world of possibilities. Downloading Reading Pathology Report And Breast Cancer provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reading Pathology Report And Breast Cancer has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reading Pathology Report And Breast Cancer. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reading Pathology Report And Breast Cancer. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reading Pathology Report And Breast Cancer, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reading Pathology Report And Breast Cancer has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Reading Pathology Report And Breast Cancer Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
